Description

An appealing commercial investment comprising the ground and lower ground floors of a well-positioned property, available with no onward chain. The unit's existing lease is in place until August 2025 and offers clear potential for rental growth with a new tenant. The existing tenant has maintained the shop in excellent condition throughout making it an attractive proposition for an incoming tenant.

Location

The property occupies a prime position on Church Street, a lively and well-established commercial location known for its mix of independent retailers, cafés, and the popular Church Street Market. It is within easy walking distance of both Edgware Road Underground Station (Bakerloo, Circle, District, and Hammersmith & City lines) and Marylebone Station, which provides National Rail services and Bakerloo line connections, offering convenient access across Central London and beyond. Paddington Station is also nearby, providing Elizabeth line, Heathrow Express, and additional mainline services.

This property offers strong prospects for capital appreciation, particularly given the significant Church Street regeneration programme underway. The wider redevelopment is set to transform the area through the delivery of approximately 1,750 new homes, extensive public realm improvements, and the introduction of new community and sports facilities, all designed to enhance the environment for residents and businesses alike. The PTAL Rating is 5.
