

This drawing remains the property of Office Portfolio. It may not be reproduced in part or in whole without written permission will be taken against any person who reproduces it or passes it on to a third party without written consent.

DO NOT SCALE from this drawing if the drawings have been photocopied or copied from the original paper version

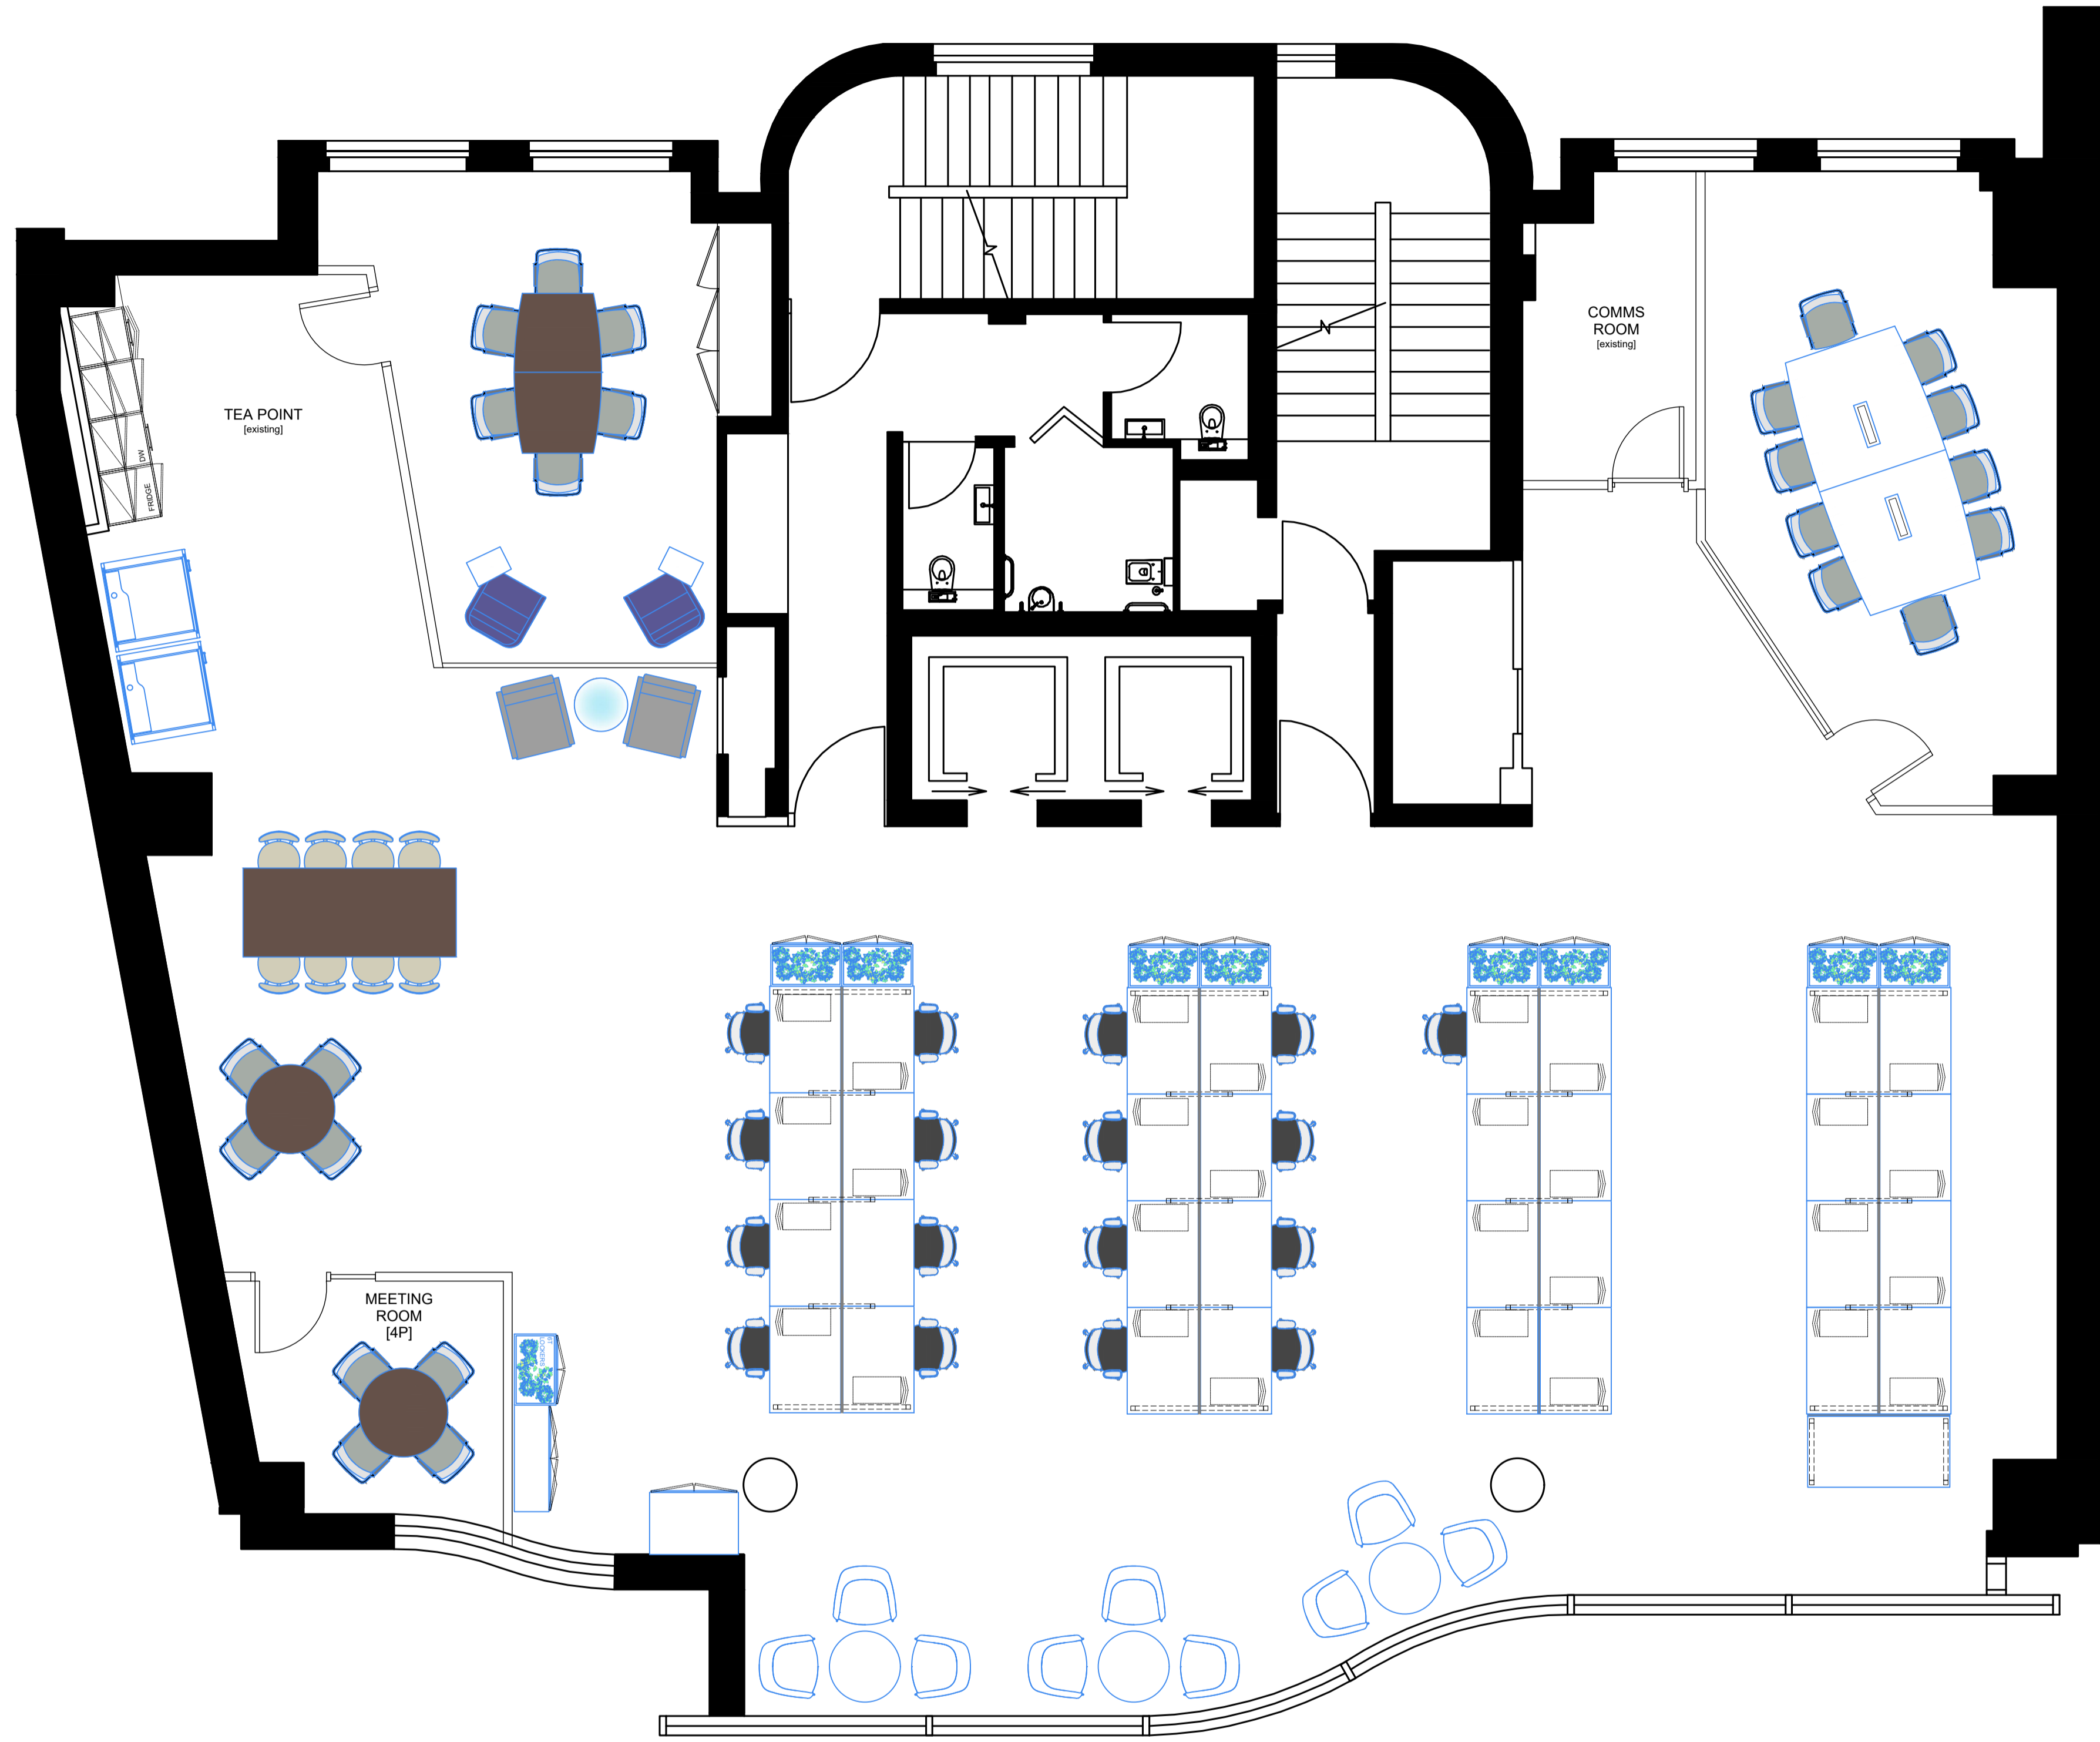

All dimensions to be checked on site & each individual contractor to take responsibility for their own dimensions and checks against this drawing. Any dimensions that appear to be wrong need to be reported to Office Portfolio so the drawing can be updated.

Drawings and areas are indicative only and are subject to a full measured site survey.

All materials to be installed fully in accordance with the manufacturers recommendations.

All construction to be carried out in accordance with all the relevant current Health and safety guidelines and regulations.

The proposed works are not to be carried out at a time or in such a manner as would either obstruct the means of escape or affect the efficiency of other fire precautionary matters specified in the fire certificate unless either the part of the premises affected is not occupied or alternatively has been approved by the Fire authority.
