LOCATION

Crown Trade Park is well situated at the eastern end of Horton Road, the main routeway between West Drayton, and the Stockley bypass (A408). The A408 Stockley bypass connects Uxbridge and Hillingdon with the M4 and Heathrow Airport. These road connections provide excellent access to the M4 corridor into central London and out to Slough and the Thames Valley. The location is ideally suited to serve the Uxbridge / West Drayton / Hayes local areas. West Drayton station is approximately 0.4 miles west along Horton Road with regular services into central London and out to Slough and Reading via Crossrail and Great Western Railway. The nearest tube station is 2.9 miles north at Uxbridge Underground, with services running on the Metropolitan and Piccadilly lines. The park is a well established trade location with onsite and nearby occupiers including Screwfix, Toolstation, Arco, BEW Electrical, Dulux Decorators Centre, Wolesley, John Guest amongst others.
