PORT OF GARSTON

The Port of Garston has over 10,000 sq m of common-user flat-stores, 6,000 sq m of segregated storage with HM Revenue & Customs duty-free approval. It also provides value-added services, including bagging, blending, rip-and-tip, and stock control.

It also benefits from Soil Association and TASCC accredited grain stores as well as providing open and secure quayside stockpile areas.

Located on the north bank of the River Mersey, seven miles from the centre of Liverpool, the Port plays a central role in supporting industry in the hinterlands of Merseyside, Cheshire, Lancashire and the Midlands. ABP has recently invested £2.5m in enhancing the storage facilities for its customers at Garston, which offers dry bulk accommodation for cargoes such as grain, ores and sand.

LIVERPOOL CITY REGION FREEPORT ZONE
