Description

The property is a mid-terrace, single-story industrial/warehouse unit, part of a terrace of four units. It has a primarily rectangular layout, with a forecourt allocated for loading and parking. The ground floor features an open-plan warehouse area alongside a store/office space. Above this is a first-floor office/mezzanine level that includes office accommodation, a kitchenette, and WC facilities, all finished to a high standard. Key features include electric roller shutters for loading access, a three-phase power supply, a gas connection (currently capped), and WC facilities. The main warehouse boasts an impressive eaves height of 7.39 meters, a spacious yard designed for loading and parking.

Location

Lockwood Industrial Park is located on the west side of Mill Mead Road within the London Borough of Haringey. Mill Mead Road provides easy access to the A10 which leads northbound to the North Circular (A406) & M25, and southbound to Central London.

Public transport connections are excellent, with numerous bus routes operating nearby. Tottenham Hale Station is located approximately 0.3 miles southwest of the property—within a short walking distance—and offers London Underground Victoria Line services as well as Greater Anglia mainline services to and from London Liverpool Street, Cambridge North, Bishop's Stortford, and Stansted Airport.
