POWERFUL CHARACTER BOLD VISION

The Northcliffe, an advanced 186,700 sq ft workplace, is an innovative transformation of a listed industrial building. It combines heritage features with future-focused design, brilliant lifestyle amenities, and a communal 4,200 sq ft rooftop garden.

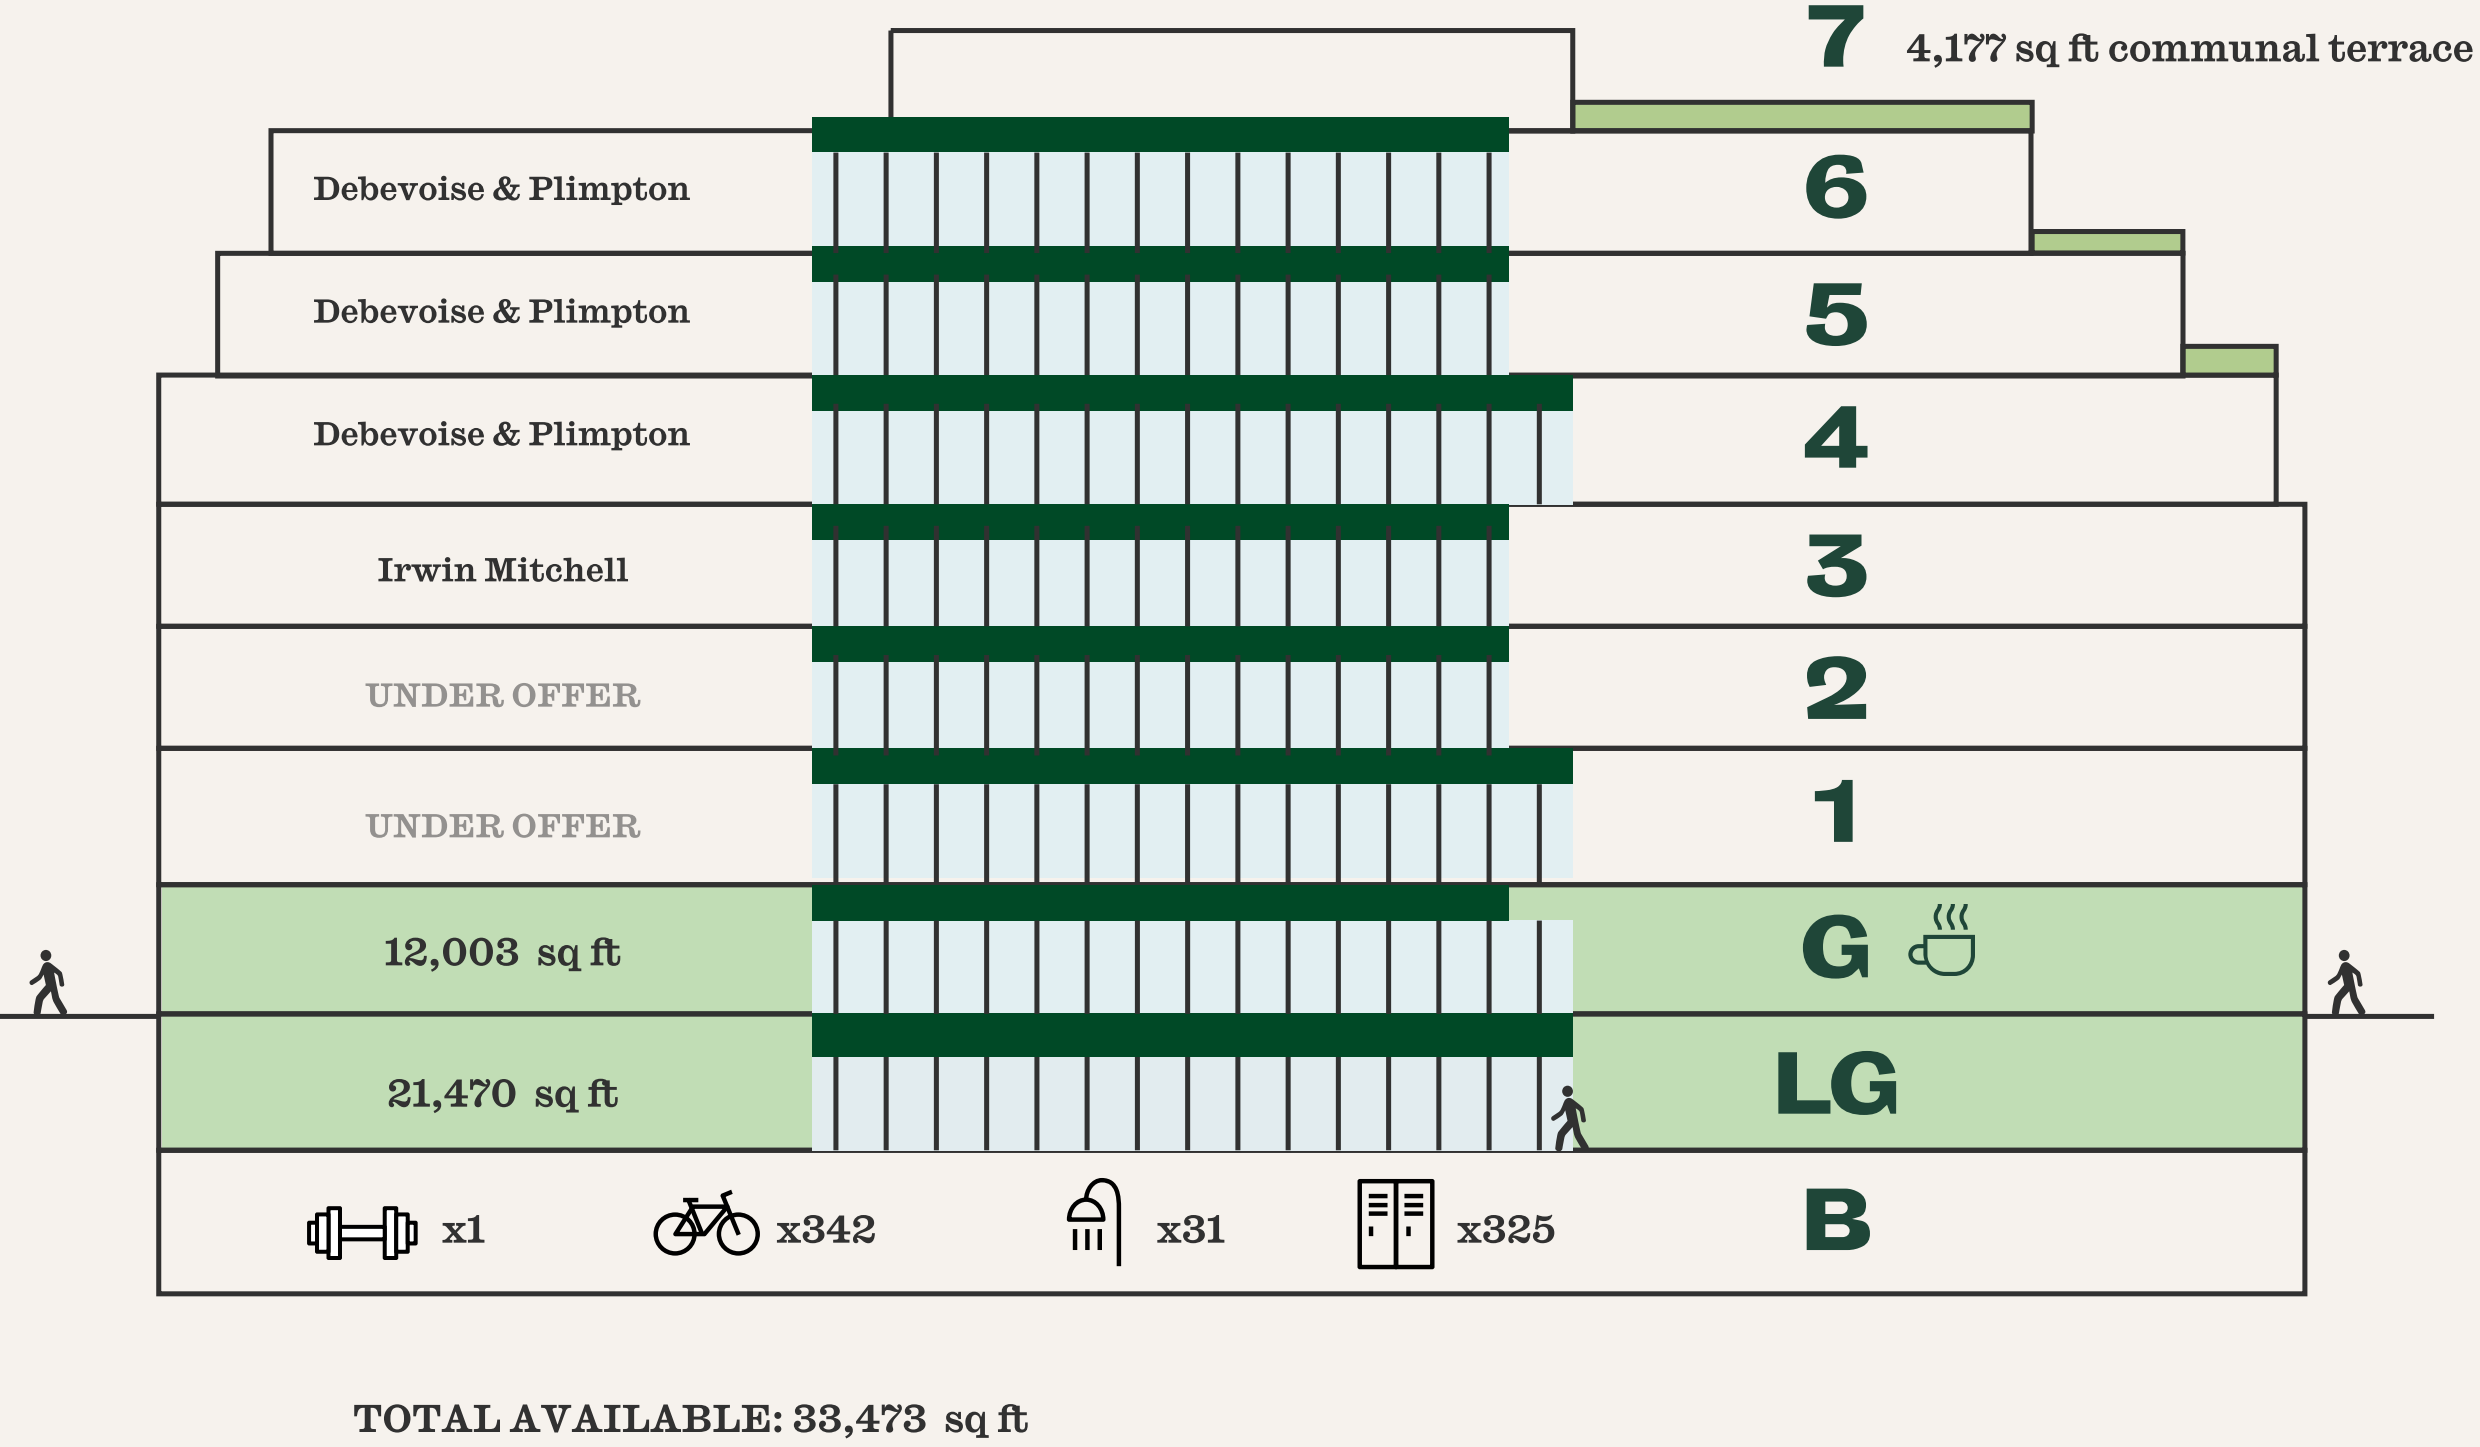

YOUR DEDICATED ARRIVAL

The available 33,473 sq ft self-contained workspace has its own dedicated entrance leading into a spacious 1,406 sq ft reception lobby, with the potential to add a feature staircase connecting to the lower level.

GRAND RECEPTION

Inspired by the building's heritage, the ground floor entrances have a distinct 1920s design influence, characterised by geometric designs and a rich colour palette accented with gold, brass, and bronze details. The bespoke timber ceiling feature in the reception lobby and lounge adds to the striking arrival experience.
