DESCRIPTION

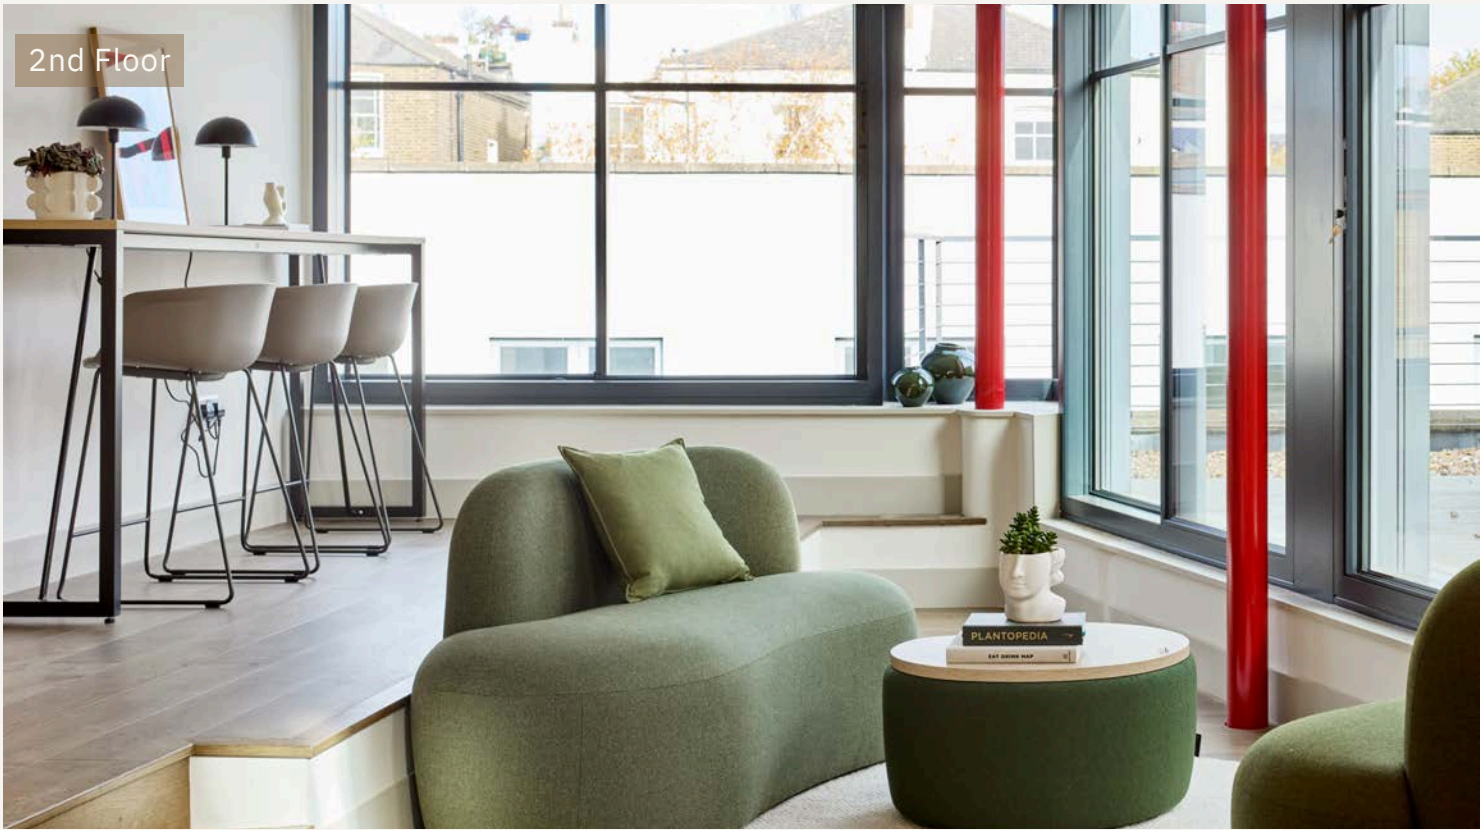

61-63 Rochester Place provides a rare opportunity to acquire a vacant, self-contained freehold Class E building in Camden Town extending to 9,971 sqft (GIA) across three floors, as well private terraced space extending to 429 sqft.

The building benefits from excellent floor-to-ceiling heights. With three separate entrances, including a roller shutter entrance and an on-site garage providing vehicle parking, the building offers strong potential for sub-division or multi-occupancy.

Redeveloped and refurbished in recent years to a high standard, the building is offered in excellent condition, ready for immediate occupation. The building has been sensitively modernised over the years to retain its unique industrial edge while offering high-quality workspace.
