A GROWING INNOVATION CAMPUS

Motherlabs sits at the heart of ARC Oxford, which is made up accelerator labs, fitted labs, fitted offices and bespoke spaces.

It's home to over 30 organisations and 3,000 employees and is a nurturing environment for an community making history at the cutting edges of their industries.

“It's been a great experience working with ARC to accommodate Perspectum's Oxford based staff into this newly renovated and modern space. We are looking forward to moving in so that our staff can benefit from all the Campus has to offer.”

Perspectum Diagnostics

“It is an exciting period of growth for OMass Therapeutics as we move to our new premises, bringing all our staff under one roof so we can continue to execute on our plans to discover drugs for previously undruggable targets and, ultimately, bring life changing medicines to patients.”

LIFE AT ARC OXFORD

Campus community

Our dedicated community managers help shape a hand-picked, curated events calendar for the best possible environment all year round. A community square – The Market Place – with outside seating provides tranquil green space, and a perfect spot for enjoying a morning coffee, community BBQ or street food festival.

Campus culture

At the centre of our campus is its social hub, the Oxford Factory and the Oxford Works. A beautifully designed meeting hub, and a restaurant offering great food and coffee with plenty of space and seating for any number of events, meetings and informal catch ups.

Member of the Future app

The Member of the Future app is available exclusively for ARC members and provides everything you need to make the most of your ARC campus. You can book fitness classes or meeting rooms, enter competitions and find exclusive discounts.

SPACE TO CONNECT

Food and beverage

Oxford Factory Café

The Oxford Factory Café is the beating heart of campus, open 8 am–4 pm serving breakfast, lunch, coffee, and snacks. Expect awesome coffee, friendly service, local produce and a delicious ever-changing menu based on the seasons. The café is available for private functions and offers a range of hospitality packages.

Oxford Workshop

Our burrito and juice bar sits proudly on The Market Place, and is open daily offering made-to-order burritos, nachos, salad boxes, and more. With a partially covered decked area, this is the perfect spot for an informal meeting or lunchtime catch up with friends.

Meeting spaces

The Market Place

Our green communal space is used for community events, BBQs, playing badminton or for just chilling in a deck chair. The Market Place can be booked for company parties and events.

Oxford Works

The Oxford Works is our collaborative workspace designed to develop ideas, and network. Our members can book a desk, hunker down in one of our quiet spaces or make confidential calls in video call booths, or conference in our Engine Room event space.

Innovation Space

We combine the Oxford Works, Engine Room, and Board Room to create an event and conference space, available to ARC members and stakeholders.

CONNECTED TO OXFORD'S INNOVATIVE ECOSYSTEM

Oxford is a globally leading innovation hub, home to hundreds of spin-outs, tens of thousands of active companies and the world's top-ranked university for a decade.
