WAREHOUSE / INDUSTRIAL

MOSSFIELD ROAD, ADDERLEY GREEN,
STOKE-ON-TRENT, ST3 5BW

LOCATION

The property is situated on Mossfield Road, within Mossfield Industrial Estate, Adderley Green, to the south-east of Stoke-on-Trent city centre, Staffordshire, ST3 5BW. The location forms part of an established commercial and industrial area accommodating a range of industrial, storage, manufacturing and waste management uses, making it well suited to a waste transfer station. Nearby occupiers include concrete production and other industrial businesses.

The property benefits from a strategic position within the Stoke-on-Trent urban area, providing access to a substantial local population and a wide commercial catchment across North Staffordshire. Stoke-on-Trent is served by the A50, A500 and wider regional road network, facilitating access to surrounding towns and employment centres.

DESCRIPTION

The property is a steel portal framed building with single skin clad elevations beneath a metal profile roof incorporating skylights, with roller shutters on two elevations. Internally, the building benefits from a weighbridge, welfare facilities, office and WC. The premise also benefits from 3 phase electric supply and LED high bay lighting. The building sits within a site area of 1.32 acres with concrete surface at the front and compacted crushed stone to the rear.

The property is suitable for a range of warehouse and industrial uses (B1, B2 & B8 uses), having been a long-established waste management depot, benefiting from an existing Environmental Permit (if required) covering a wide range of commercial and recyclable waste sectors, with more recent planning amendments. Further details can be obtained from the agents if required.
