Peel Industrial Estate

Peel Industrial Estate comprises a development of 39 industrial units ranging in size from 600 to 39,900 sq ft and suitable for a wide range of uses including storage, manufacturing and trade counter.

Located in an established business environment, the estate is attractively landscaped and benefits from secure perimeter fencing and extensive CCTV system which is monitored outside of usual business hours. Units benefit from good eaves heights, internal offices (aside from the smallest units) and roller shutter door providing loading access onto loading/parking areas fronting the units.
