DESCRIPTION

Units 6 and 7 are mid terrace units constructed of concrete portal frame with part block walls and part steel profile metal cladding. The units include ground and first floor office accommodation to the front and the warehouse is accessed through a single loading door. The units are available in a refurbished condition.

LOCATION

Lakeside Industrial Estate is a popular location for many Heathrow related occupiers, as it is well situated midway between Slough and the airport along the A4. The location affords excellent access to the major motorway network via the M25.

Central London and Heathrow Airport are easily accessed via the M4/A4 respectively.
