Detached Industrial/ Warehouse Unit Within A Secure Site

Description

The unit comprises a standalone steel portal frame industrial unit with 6.7m eaves height clad in a combination of brick, profiled insulated metal sheet and glazed curtain walling to the elevations under a pitched insulated profile metal sheet roof with intermittent daylight panels.

Loading access to warehouse space is via 4 electric up and over loading doors, whilst pedestrian access is either via the main entrance leading to a reception and stairs to the 1st floor or a separate personnel entrance leading to the staff welfare areas.

The office accommodation is at Ground and 1st floor and is a mixture of cellular and open plan space.

The warehouse area is clear span and open plan and benefits from loading and unloading at either end of the building.
