Peterborough

The Peterborough industrial market is an essential part of the UK's broader industrial and logistics sector. Located in the East of England, Peterborough benefits from its strategic positioning, offering strong transport links via the A1(M), A14, and direct access to London, which makes it an attractive location for businesses looking for distribution hubs or manufacturing spaces. Due to its proximity to key transport corridors, there is strong demand for warehouses and distribution centre's, particularly from e-commerce, retail, and logistics companies.

Location

Axis Park Industrial Estate consists of 49 terraced industrial/warehouse units within the Orton Southgate commercial area. The estate offers excellent connectivity with Junction 17 of the A1(M) less than a mile away. Nearby occupiers include Yodel, Yours Clothing, Royal Mail and Steinel UK Ltd.
