FLEXIBILITY WITHOUT COMPROMISE

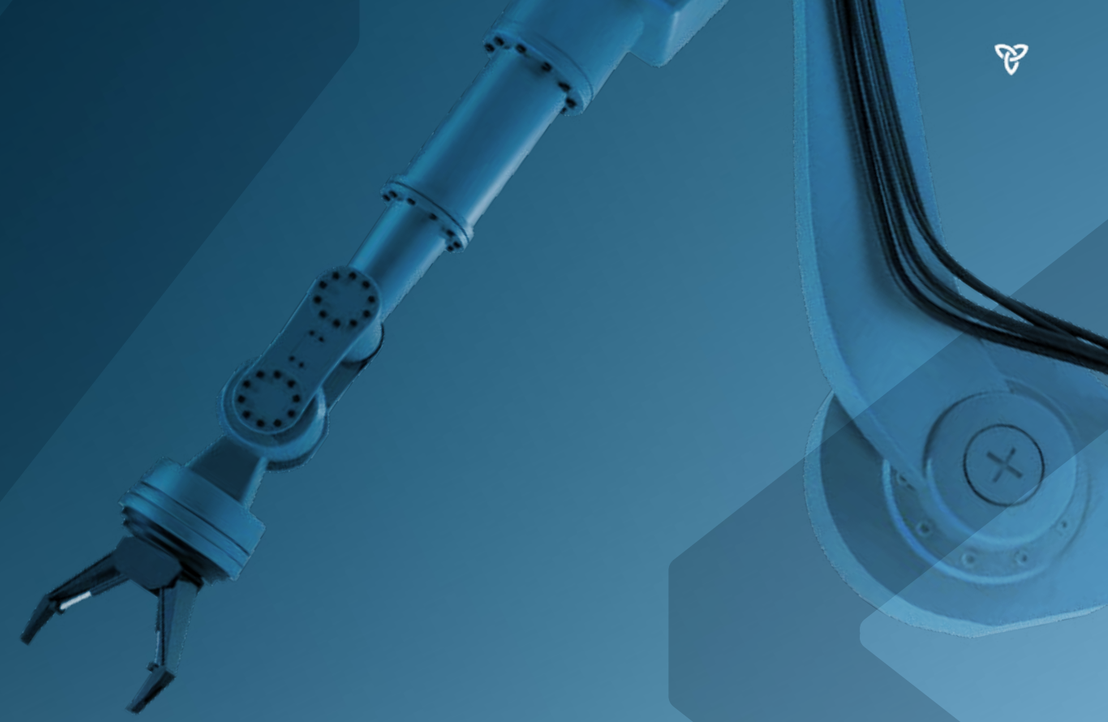

BARDON

Firethorn FLEX

FLEXIBILITY AT ITS CORE

FB410 has been designed with adaptability at its core. From its high-specification warehouse space and extensive loading provision to its efficient operational layout, every aspect of the unit is focused on supporting occupier requirements and enabling long-term business growth.

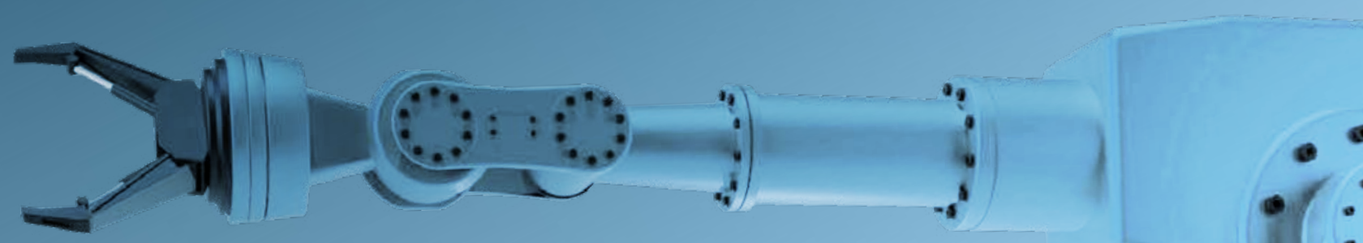

01 > LAYOUT FLEX

FB410 offers a flexible, future-ready logistics environment designed to accommodate evolving operational requirements. With extensive servicing provision, high-bay warehouse space and best-in-class specifications, the unit provides an efficient platform for a wide range of occupier needs.

02 > OPERATIONAL FLEX

FB410 is designed to support a wide range of logistics and distribution operations. Its high-specification warehouse space, 18m clear internal height, generous yard depth and extensive loading provision provide occupiers with the operational efficiency and flexibility required to accommodate evolving business needs.

03 > SPEC FLEX

FB410 offers a best-in-class specification designed to support a wide range of occupier requirements. The unit combines operational efficiency, sustainability-focused features and future-ready infrastructure, providing a platform that can accommodate evolving business needs over the long term.

FLEXIBLE DESIGN. DELIVERED AROUND YOU.

Firethorn Flex allows us to tailor the building around your operational, sustainability and business requirements.

From additional power and EV charging to automation infrastructure and bespoke fit-outs, enhancements can be delivered as part of a tailored commercial package.

Investment can be incorporated into the deal, structured through the lease or provided in place of traditional rent-free incentives.

LANDLORD FUNDED FIT OUTS

Available as part of a tailored commercial package.

YOUR BUILDING. YOUR SPECIFICATION

Talk to us about your requirements and we'll create a tailored solution that supports your operation today and accommodates future growth.

COMPLETELY FLEXIBLE. COMPLETELY YOURS

Every business is different. That's why we take the time to understand your operational needs, workforce requirements and growth ambitions, creating a property solution that works from day one and evolves with your business.

Let's build the right solution for your business.
