THE LOCATION

Peterborough is one of the UK's fastest growing and best connected cities

The city is located approximately 80 miles north of London, 77 miles east of Birmingham and 32 miles north of Cambridge. It benefits from a diverse economy, ranging from innovative small businesses to large global headquarters and has been recognised as one of the fastest growing cities in the UK by population, now in excess of 200,000.

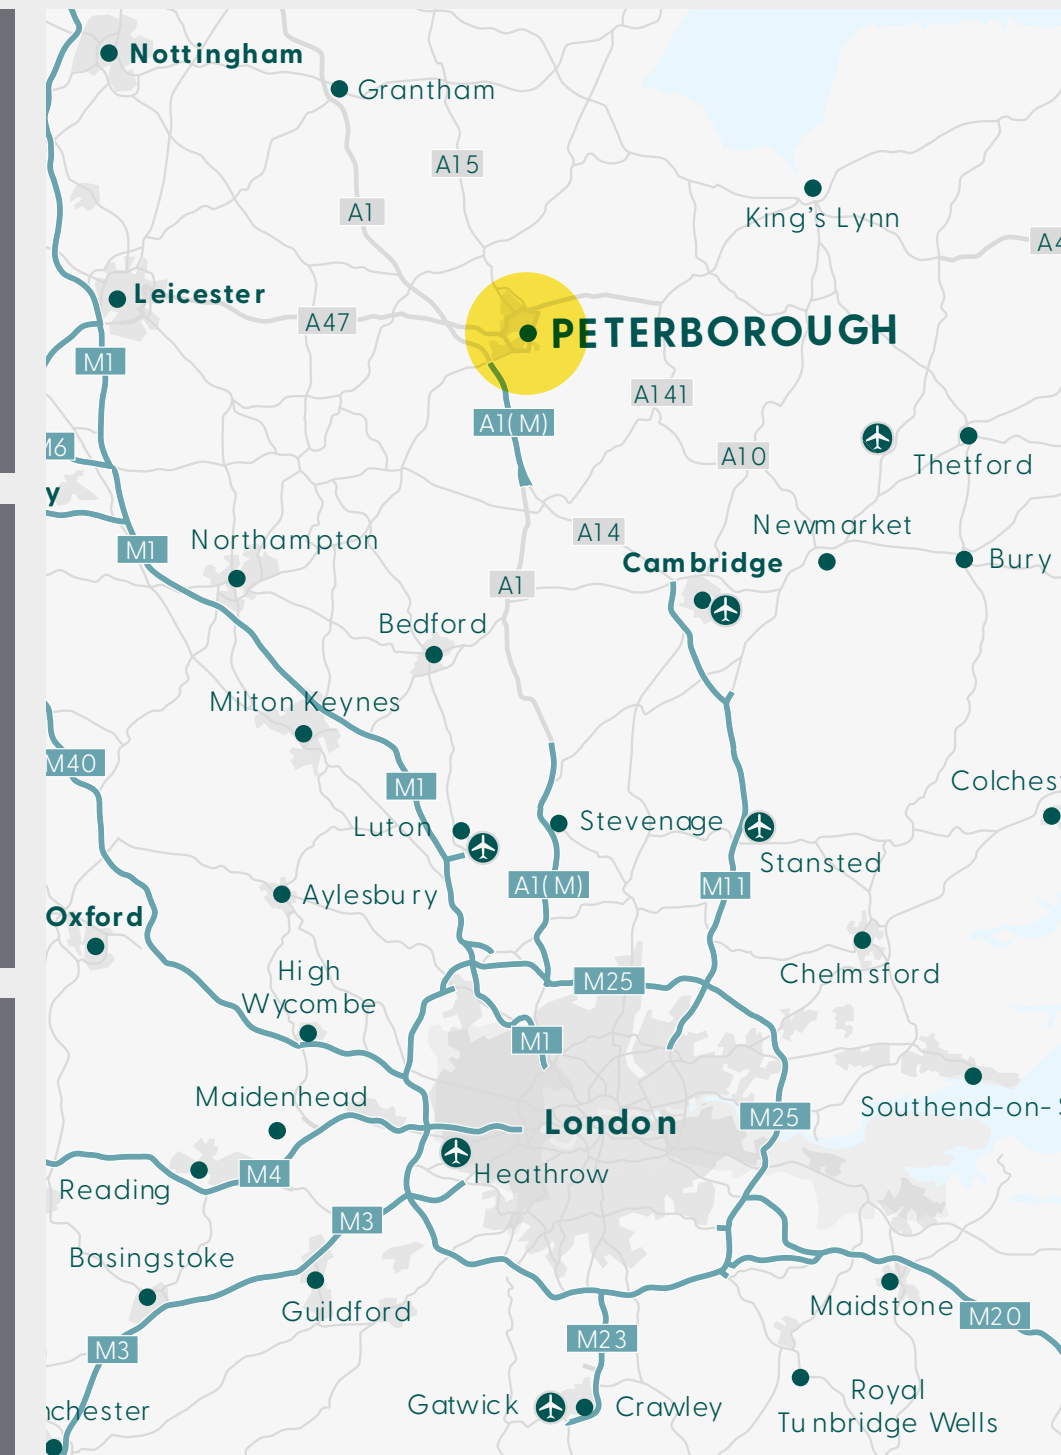

Over the past year there has been over £80 million of investment funding secured, including the final phase of the University Campus - 'The Lab' at ARU Peterborough (completion September 2024), and the proposed transformation of the Station Quarter.

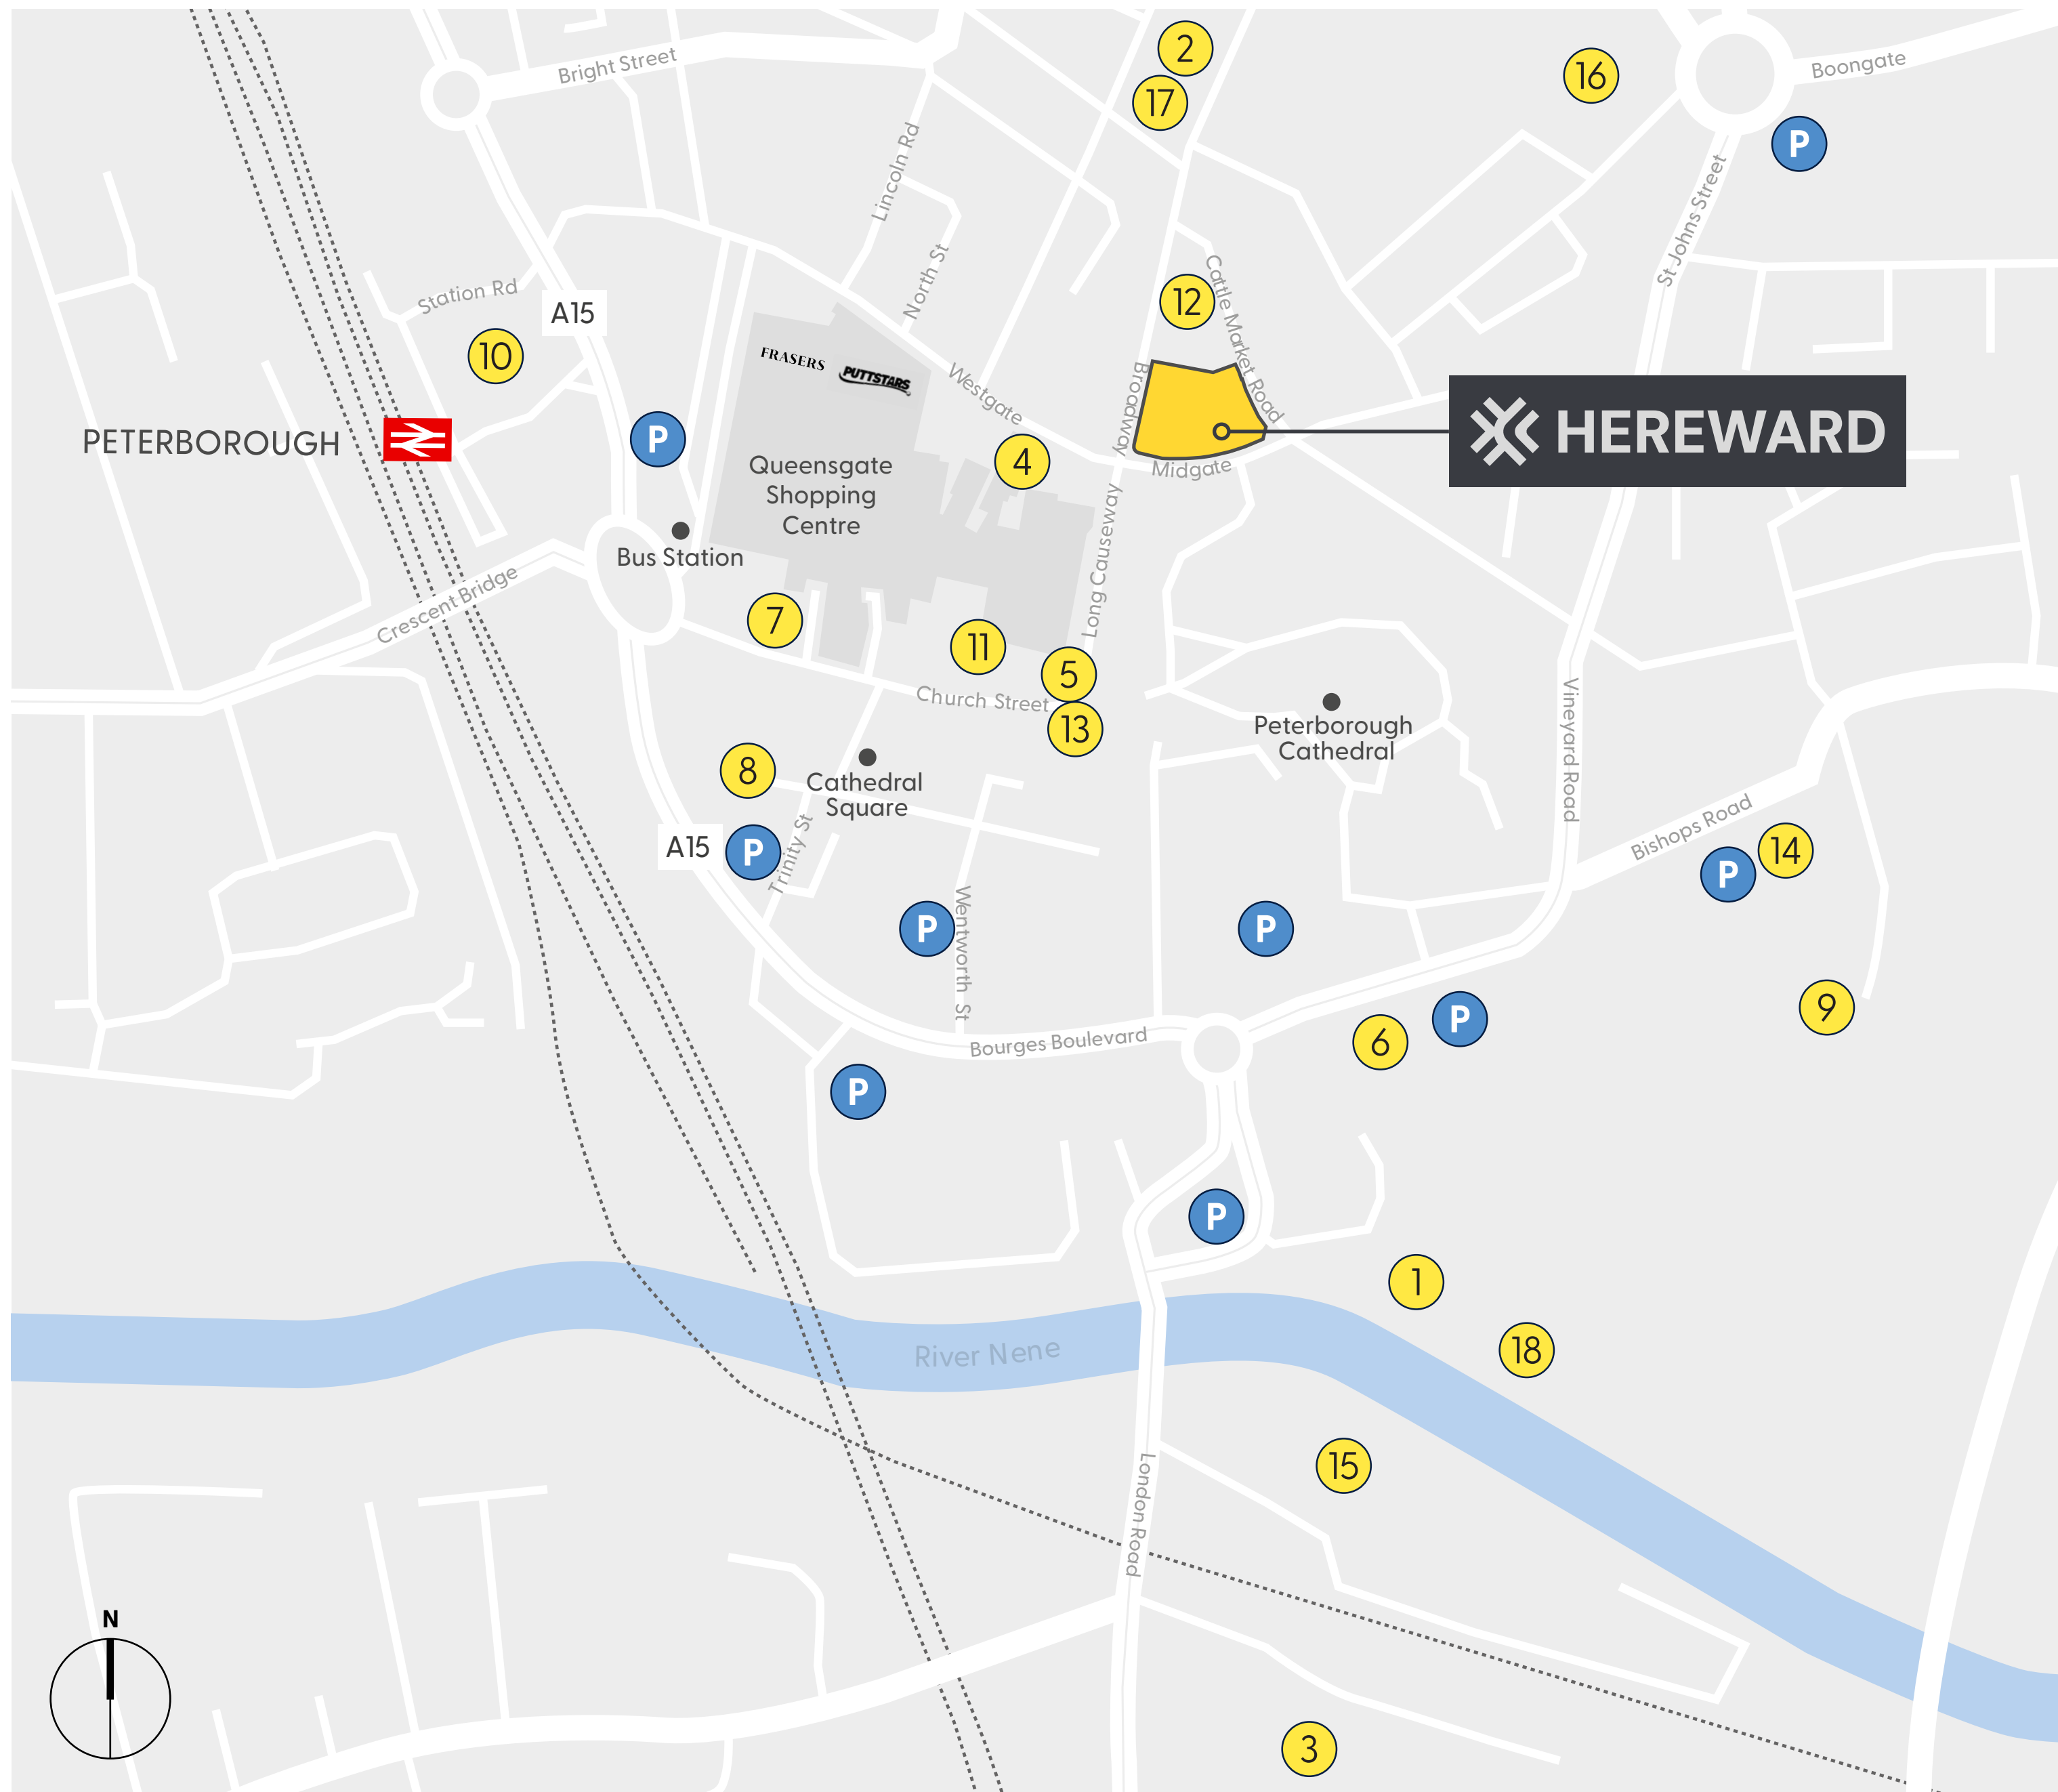

Hereward is prominently located in the city centre. It is within an area of high footfall with good access to public transport with bus stops outside Hereward and the railway station about 10 minutes walk away. Nearby occupiers include Tesco Metro, Poundland, Stonegate Pub Company and JD Wetherspoon pub.
