8 City Road, EC1Y

8 City Road has been architecturally designed with new media style offices having views of Finsbury Square and the City. There are also fantastic views of the HAC grounds to the rear of the property. The ground floor is divided into a number of small meeting rooms/office suites available by separate arrangement. The building also benefits from a communal meeting room, kitchen and breakout space, in addition to a communal terrace on the 1st floor.

The fifth and sixth duplex unit is offered as a combined space, providing the advantage of a modern fully-fitted kitchen, self-contained WC facilities, and exclusive access to two private rooftop terraces.

The second and third floors have been recently redecorated and thoughtfully designed as open-plan spaces, creating a bright and versatile environment. Both floors benefit from an abundance of natural light, while offering impressive views over the HAC, making them ideal for a wide range of occupiers.
