Harworth

CHATTERLEY PARK

The 106-acre Chatterley Park site is adjacent to the A500, in close proximity to Junction 16 of the M6.

Chatterley Park will drive economic growth in Stoke-on-Trent and Staffordshire. Reinforcing the areas reputation as a logistics hub and a centre of manufacturing excellence.

Once completed, the 1.2 million sq ft development is expected to support 1,700 jobs, providing a significant boost to economic activity, skills and job density in the local area.

- Design and build opportunities from 25,000 to 518,000 sq ft
- Up to 40m building height available on plots A & B
- 15 MVA power secured site wide. Further capacity available
- Direct access to J16 M6 via A500
- Well located to service the major markets of the Midlands, North West, and Wales
- Strong labour availability with extremely competitive costs
- Buildings will be developed to a high environmental specification
- Targeted BREEAM Excellent and EPC Rating A, maximising opportunities for the buildings to be Net Zero Carbon in Operation

Offices

- Ground floor reception with lift
- Fitted out offices
- Mechanically ventilated system
- Enhanced kitchen and WC areas

Indicative CGI

Sustainability

Every Harworth build performs beyond statutory efficiency and consumption requirements.

The latest low carbon technologies are included within our standard specification. As a result, a Harworth building uses less energy and creates less emissions. Rainwater harvesting, low flow sanitaryware and leak detection also reduce water usage.

A commitment to durability ensures our buildings will be useful for longer. And when the end finally comes, we specify materials with the maximum recycling potential.

Target BREEAM

About Harworth

Harworth Group plc is a leading regeneration and strategic land owner and developer focused on the Industrial & Logistics (I&L) and Residential sectors. We own, develop, and manage a portfolio of over 15,000 acres of Strategic Land over 100 sites located throughout the North of England and Midlands.

We specialise in delivering long-term value for all stakeholders by regenerating large, complex sites, into new I&L developments and serviced remediated land for sale into the I&L and Residential land markets. Our long-term through-the-cycle business model is to create sustainable places, support new homes, jobs and communities where people want to live and work.

Our flagship sites, such as Waverley in Rotherham and Logistics North in Bolton, are of national economic

significance and are at the forefront of regeneration in the UK.

Our people are every bit as important as our land and are central to our success. We have a highly experienced team of property professionals including surveyors, planners, engineers and project managers, as well as finance, legal, communications and support staff. With our ambitious growth strategy to be a £1bn business by 2027, we now employ over 100 people across our four offices at Rotherham (Head Office), Leeds, Birmingham and Manchester, each supporting our regions across the North of England and the Midlands.
