TO LET

COMPREHENSIVELY REFURBISHED INDUSTRIAL / WAREHOUSE UNITS
4,633 – 19,157 SQ FT

Clarendon Industrial Park is a well-established estate offering high quality warehouses suitable for a variety of occupier requirements. The units have been comprehensively refurbished to deliver modern efficiency and sustainability, achieving EPC A in the process.

The extensive refurbishment includes a new built-up insulated metal roof system, high-performance double-glazed windows, and new electrified sectional loading doors. The office spaces have been completely transformed, now featuring a modern VRF air conditioning system and LED lighting throughout. Energy efficiency is further optimized by a roof-mounted photovoltaic solar array and warehouse LED lighting, significantly reducing operational costs.

Externally there is ample parking to the front of each unit and gated shared loading provisions to the rear. Access to the yard areas has recently been improved by the retarmacking of the estate road.

KEY HIGHLIGHTS

New built-up insulated metal roof system

Roof mounted PV system*

New VRF air conditioning system to the office accommodation

LED lighting installation throughout

EPC A**

Minimum clear height of 5.5m rising to 6.55m at the internal eaves

UNIT 6

UNIT 9

EXCELLENT LOCATION

Situated in Wymbush approximately two miles from Central Milton Keynes, the site benefits from excellent transport links with immediate access to the A5. The M1 J13 / J14 are also within close proximity providing the property with superb access to the wider motorway network and key locations across the country.

The site's impressive transport links are further enhanced by the proximity of Milton Keynes Central railway station, which provides rapid services to London Euston, as well as direct connections to Birmingham New Street and Manchester Piccadilly.
