Description

Originally designed by Skidmore, Owings & Merrill (SOM) and recently refurbished to the highest standards, 10 Exchange Square delivers modern, flexible workspace that blends architectural sophistication with state-of-the-art functionality. Large, efficient floorplates and floor-to-ceiling glazing ensure an abundance of natural light throughout, creating a bright and inspiring working environment.

There is an impressive double-height reception and arrival experience and the floor plates benefit from excellent natural light.

There are comprehensive end-of-trip facilities: showers, lockers, and secure cycle parking.

Location

10 Exchange Square sits in the heart of the Broadgate Estate in the City of London, positioned on the north-west corner.

The Broadgate campus is one of central London’s largest pedestrianised neighbourhoods, offering a vibrant mix of offices, retail, dining and public space.

Exchange Square has itself been transformed into a 1.5-acre public park-style setting, meaning the building benefits from frontage onto high-quality open space.

It is a very short walk to Liverpool Street Station (and its Elizabeth Line services) as well as to Moorgate Station, Shoreditch High Street and other key hubs.
