North Row

London's first six-star office
space, for a touch of class

www.oneavenuegroup.com

A wide-angle shot of a modern, luxurious office interior. The room features a high ceiling with recessed lighting and a large, ornate crystal chandelier. On the left, there are large windows with white frames and blue curtains, and a grey sofa with a light-colored cushion. In the center, a woman with long dark hair is sitting at a black desk with gold legs, working on a laptop and talking on a phone. The desk is positioned in front of a wall with a geometric pattern of white lines. To the right, there is a glass partition and a large, abstract sculpture. The floor is made of light-colored wood, and a large, patterned rug covers the central area.
