The subject property is located in a prominent and visible position fronting Stanley Green Road, forming part of a small, purpose-built industrial estate situated between the Sterte Road and Fleets Industrial areas.

The property benefits from close road links to both the A350 and the A35, which serves Dorchester to the West and Bournemouth to the East. The A31, which can be accessed via the surrounding local road network, provides a national transport connection to Southampton and London via the M27 and M3.

DESCRIPTION

The property comprises an end of terrace industrial unit constructed by means of a concrete frame with brick exterior walls under a steel framed, multi gable north light roof.

The building has been configured to provide a single-storey office area at the front of the building, with the main warehouse accommodation located behind, which benefits from a clear internal working height of approximately 5m.
