PORT OF SOUTHAMPTON

Ideally located on the south coast close to major shipping lanes linking the UK to European and global markets, Southampton is Britain's Gateway to the World. The port is the UK's number one hub for deep sea trade and a critical link in supply chains serving businesses and manufacturers nationwide.

Southampton is the UK's number one vehicle handling port, processing 900,000 vehicles per year and is home to the country's second largest container terminal.

The Port of Southampton supports 45,600 jobs and contributes £2.5 billion to the nation's economy every year. As the nation's number one deep sea trade hub, it handles exports worth £40 billion annually, including £36 billion destined for markets outside the EU.
