Description

222 Regent Street is the location of Liberty House, a restored Grade II listed building housing serviced offices and co-working spaces. Built in 1926 to serve the adjoining Liberty department store, it retains its original character with parquet floors and cornicing, combined with modern amenities like meeting rooms, focus booths, kitchens, and showers. The design incorporates vibrant colours and patterns inspired by Liberty's history, offering collaborative workspaces in a prime Central London location.
