INDUSTRIAL STYLE OFFICES/STUDIOS

1,163 - 10,040 SQ.FT

Description

Deane House is an example of a late 19th century industrial building which has been converted into creative/media/technology style office space.

This modernised period building is set over 5 floors and retains the existing feel by use of appropriate materials, fixtures and fittings.

The offices benefit from exposed steel columns and fair face brickwork. The reception has just been newly decorated with a new linear LED Lighting seating area.
