

- 'As Existing' Information**
- These drawings are based on measured survey information prepared by Survey Systems Ltd, ref. 20685, June 2021 - The 'Survey Drawings', prepared on behalf of the Employer.
  - The Survey Drawings are available in pdf and dwg format and contain additional information not shown on this drawing. They should be read in conjunction with this drawing.
  - Levels shown are based on the levels shown on the Survey Drawings which are based on OSGB15. Note that levels values may vary from those shown on 'As Built' information held in the O+M Manual.
  - The names of some spaces have been added by Enjoy Design, taken from various sources and site visits. Some spatial uses may have changed since these sources were prepared. Spaces noted as 'riser' should be checked before assuming they are a true void running full height of the building.
