SECURE BY DESIGN. EFFICIENT BY NATURE.

DESCRIPTION

Unit F1 has been built to a high specification with LED lighting, electric loading doors, 3 phase power and modern, energy-efficient construction materials.

There are 25 car parking spaces, including 6 EV charging points, together with a large, secure, self-contained yard.

The unit offers 24/7 use, with energy-efficient features designed to support lower running costs and improved environmental performance.

The wider site benefits from a secure main access gate, landlord-installed CCTV and security lighting.

TERMS

Unit F1 is available to let on internal repairing leases for a term to be agreed.

Rent on application.

BUILT AROUND YOUR BUSINESS

We understand that your space should work as hard as you do. That's why we offer a unique build-to-suit opportunity that puts you in control.

Our flexible approach means the landlord can construct precisely the office space your business requires – no more, no less. Whether you need 5,000 or 15,000 square feet, we'll deliver a custom-built environment tailored to your operational needs, growth plans, and workplace culture.

This isn't about fitting your business into available space. It's about creating space that fits your business perfectly.
