NOTE
This drawing is not to be scaled.
Appointed contractors are requested to notify White Paper of any discrepancies or variations relating to setting-out prior to manufacture and construction.
All information is subject to statutory approval and site survey. The general contractor is to carry out a check site survey to confirm that the design intent can be met and that it is appropriate for the environment in which it is to be installed. The general contractor is to notify White Paper in writing of all preparation works that are required to be carried out prior of their works.
