SETTING A NEW STANDARD

Prime Central Park benefits from a best-in-class sustainable design. From photovoltaic panels and high efficiency LED lighting, to living walls, green roofs and 4.5 acres of green space. It aims to deliver BREEAM Outstanding (targeted) and EPC A+ rating.

Targeting
BREEAM
Outstanding
and EPC A+

35% on site carbon
reduction in line with
GLA's "Be Lean, Be
Clean and Be Green"

New public cycle
and pedestrian
routes and
amenity areas

Sustainable
urban drainage
and habitat
creation

Living walls, green
roofs and over
4 acres of green
space

High efficiency
LED lighting with
PIR sensors

Renewable technologies
such as air source
heat pumps and
photovoltaic panels,
to reduce running costs

Roof lights to 10%
of the warehouse
area to maximise
natural daylight and
wellbeing

Sitewide provision
of 16 double electric
vehicle charging
points to serve 32
vehicles

145 new trees
being planted
across the site

AN EXCELLENT AND CENTRAL POSITION

Prime Central Park's excellent and central position in North Feltham provides direct access to Heathrow Airport, West London and the motorway network.

Bus stops are situated outside the gates to the park, and with Hatton Cross transport interchange and Feltham Railway Station, Prime Central Park provides excellent transport links.

A development by

PRIME-HEATHROW.COM

IMPORTANT NOTICE. JLL and DTRE give notice to anyone who may read these particulars as follows: 1. These particulars are prepared for the guidance only of prospective purchasers. They are intended to give a fair overall description of the property but are not intended to constitute part of an offer or contract. 2. Any information contained herein (whether in the text, plans or photographs) is given in good faith but should not be relied upon as being a statement or representation of fact. 3. Nothing in these particulars shall be deemed to be a statement that the property is in good condition or otherwise nor that any services or facilities are in good working order. 4. The photographs appearing in this brochure show only certain parts and aspects of the property at the time when the photographs were taken. Certain aspects may have changed since the photographs were taken and it should not be assumed that the property remains precisely as displayed in the photographs. Furthermore no assumptions should be made in respect of parts of the property which are not shown in the photographs. 5. Any areas, measurements or distances referred to herein are approximate only. 6. Where there is reference in these particulars to the fact that alterations have been carried out or that a particular use is made of any part of the property this is not intended to be a statement that any necessary planning, building regulations or other consents have been obtained and these matters must be verified by any intending purchaser. 7. Descriptions of a property are inevitably subjective and the descriptions contained herein are used in good faith as an opinion and not by way of statement of fact. August 2026
