SPACE TO GROW. ROOM TO PERFORM.

Newlands Park Huntingdon is a landmark logistics and manufacturing development offering over 2.2 million sq ft of best-in-class accommodation across a comprehensively masterplanned campus. With design and build opportunities from 50,000 sq ft to 450,000 sq ft and buildings available from Q4 2027, Newlands Park is built to meet the demands of modern occupiers at any scale.

INDICATIVE LAYOUT.

Newland Park Huntingdon has the ability to deliver a single HQ campus up to 2.2m sq ft

Newlands Park is arranged across three zones, offering 13 units ranging from 51,300 to 260,300 sq ft, with a total GIA of 2,207,800 sq ft.

The flexible masterplan accommodates single or multi-let requirements, allowing occupiers to consolidate large-scale operations or secure individual units tailored to their specific needs. All units are available on a design and build basis, with delivery targeted from Q4 2027.

UNIT SIZES

STRATEGIC LOCATION.

Strategically positioned on the A141 near Huntingdon, PE28 4NL offers excellent connectivity across the UK’s logistics network. The location provides direct access to the A1(M), A14 and M11, linking efficiently to the Midlands, London, the East Coast ports and the wider South East. Its central position within the Oxford-Cambridge growth corridor makes it ideally suited for regional distribution, warehousing and last-mile delivery operations.

DEMOGRAPHICS.

Newlands Park Huntingdon is strategically located within one of the UK’s most productive and accessible labour markets. Sitting at the heart of the Cambridgeshire and Peterborough Combined Authority area, the development benefits from a large, highly active workforce drawn from Huntingdon and its surrounding market towns, including St Neots, St Ives and Peterborough — all within easy commuting distance via the region’s excellent road network.

PROVEN EXPERIENCE. LOCAL EXPERTISE.

Our track record of successful industrial and logistics developments demonstrates our experience in delivering high-quality schemes that respond to the evolving needs of modern occupiers. From initial concept through to completion, we focus on creating well-designed, efficient and commercially successful developments in strategic locations.

Projects including Warth Park, Raunds and Peterborough Gateway highlight our established presence in the region and our understanding of the local market. These developments reflect our commitment to delivering quality industrial space while creating places that support businesses, employment and long-term economic growth.
