

[illegible]

Figure 1 is a proposed floor plan of a new building. The plan is rectangular with a central corridor labeled "Common Circulation" containing a staircase. The rooms are arranged as follows:

- U.01** (Staff WC) is located at the top left.
- U.02** (Staff WC) is located at the top center.
- U.03** (Staff WC) is located at the top right.
- U.04** (562 sq ft) is located on the bottom left.
- U.05** (226 sq ft) is located in the middle left.
- U.06** (548 sq ft) is located in the middle top left.
- U.07** (347 sq ft) is located on the bottom right.
- U.08** (560 sq ft) is located in the middle right.
- U.09** (541 sq ft) is located in the middle top right.

Staff WCs are also indicated for U.04 (77 sq ft), U.05 (58 sq ft), and U.06 (58 sq ft).
