1. This drawing is copyright. 2. Do not scale from drawing. Figured dimensions only to be used. 3. Any discrepancies between site & figured dimensions should be brought to the immediate attention of the architect. 4. Refer to engineers drawings for columns & beam sizes and extent of R.C. work. 5. All compartment walls to be brought up to underside of floor slabs and fire stopped. No combustible materials to be built into compartment walls or doors to be constructed through all service ducts to be 600mm P.F.R.
