Hurricane Urban Hub Reading

Hurricane Urban Hub, Reading, is an exciting and unique 10 unit speculative warehouse/industrial development with units ranging from 10,615 – 75,694 sq.ft.

Located in close proximity to Junction 10 of the M4, this development provides occupiers with immediate access to the M4 via the A329(M) and unrivalled links to London, Heathrow, Maidenhead, Bracknell, Swindon and the West. By locating your business at Hurricane Urban Hub you will be in good company, with well known occupiers situated nearby including:

The scheme has been developed to the highest specification and green credentials, including net zero carbon emissions.

- 7.5 acre landscaped site.
- 10 new urban industrial units totalling 186,496 sq.ft
- All units finished to the highest specification including fitted first floor office accommodation and shower facilities.
- Occupiers benefit directly from savings generated by Solar PV Panels on all units.
- Secure yards to Units 9 & 10.
- Planning for use classes E(g)iii, B2, B8.

**The development is situated on the south side of Headley Road East.
Approximately 6 miles east of Reading town centre and 3 miles west of J10 M4.**

Site Plan Flexible Units
