

GREENLAND PLACE

LONDON NW1

RIB

ROBERT IRVING BURNS

DESCRIPTION

4 Greenland Place is one of Camden's original Victorian warehouse buildings, thoughtfully extended and comprehensively refurbished to a high standard. The Ground and First Floors have recently been successfully let following refurbishment, with the Second Floor now newly completed and ready for occupation.

The available floor offers a characterful warehouse aesthetic, with exposed brickwork, retained original industrial features, and excellent natural light from both the front and rear elevations. The space benefits from comfort cooling, modern lighting, Cat V data cabling, timber laminate flooring, and dedicated male and female WC facilities, creating a practical and well-balanced working environment.

A newly installed, fully fitted kitchen is exceptionally well equipped, featuring an integrated dishwasher, espresso coffee machine, toaster, kettle, microwave and fridge freezer, alongside built-in bin drawers, generous storage, and crockery provided throughout — ensuring everything is ready to go from day one.

Convenient pay-and-display parking bays are located directly opposite on Greenland Place, adding further ease for occupiers and visitors alike.
