Location

Riverview Business Park, an award winning development of 16 two storey office units, is situated to the north side of Station Road off Hartfield Road (B2110) close to the A22 in Forest Row. The village centre is a short walk.

Forest Row is a large affluent village to the north of East Sussex, located 3 miles south of East Grinstead with a population in the Parish of approximately 5,500 persons at the last Census. The village has retained much of its original character, being close to Ashdown Forest. The towns of Tunbridge Wells, Crowborough and Uckfield are all within easy reach.

Description

The subject property comprises a mid-terraced two storey office building of timber frame construction with timber weatherboard elevations, aluminum double glazed windows and doors, under a profile sheet insulated roof.

The premises are configured as a ground floor entrance area, cloakroom, office fitted with staff area/kitchenette and understair storage. A staircase from the entrance area leads to two first floor offices and a further cloakroom. A mezzanine has been installed. There is additional storage accommodation in the roof. Double doors lead from the rear of the unit to a shared garden/seating area.

There are 3 allocated car parking spaces to be shared by negotiation in the Estate car park plus visitor parking.
