

DOCUMENT

The drawing along with any notes are protected by copyright. As this is a design document it is additionally protected by design right. All rights in them are reserved. They are provided for your information only. No part of them or any design to which they relate may be reproduced in any form or any means without the prior written permission of Major Commercial Property Limited, except as expressly permitted by law. The doing of any unauthorised act in relation to them may result in both a civil claim and criminal prosecution.

CDM REGULATIONS

All current drawings, schedules and specifications for this project are to be read in conjunction with the risk assessment document.

PRODUCT SPECIFICATION

- All named building products must be installed in accordance with manufacturer's recommendations, test certificates, relative agreements and project specific requirements.
- Where generic products are specified or annotated on the drawings, the contractor is responsible for ensuring compatibility and suitability of the selected product or system.
- Any proposed changes to design must be notified to and ratified or approved in writing by the architect. ATP does not take any responsibility for third party changes to this design.
- All timber framing & boards to be made from legally harvested & traded timber as per BREEAM requirements as required.
