DESCRIPTION

An excellent opportunity to acquire a mixed-use freehold investment property, prominently positioned on Highgate and comprising a ground floor commercial premises together with two self-contained residential flats to the upper floors.

The ground floor provides a lock-up retail premises with a glazed frontage directly onto Highgate, providing excellent visibility and prominence. The accommodation offers a mix of retail, office and studio space, with the rear of the property providing a degree of privacy away from the main frontage.

To the first and second floors are two self-contained two-bedroom residential flats, both of which are currently let and provide an established rental income as follows:

First Floor Flat — 2 bedrooms: £9,000 per annum (£750 pcm)

Second Floor Flat — 2 bedrooms: £6,600 per annum (£550 pcm)

The residential accommodation therefore produces a combined annual rental income of £15,600.

The ground floor commercial premises are currently vacant and are being actively marketed to let at an asking rent of £12,000 per annum, providing a prospective total rental income of £27,600 per annum once the commercial accommodation is let.

The property therefore offers an attractive opportunity for an investor to acquire a freehold mixed-use asset with existing residential income and further rental potential from the vacant commercial accommodation.
