- **A120** – Links to Stanstead and M11 corridor
- **A133** – Coastal access to Clacton
- **M25** – 1 hour drive for orbital London access

SITE DESCRIPTION

LAND AT HYTHE STATION

- Site extends to 2.28 acres (0.92 hectares).
- The site comprises relatively flat tarmacked area, previously used as car parking.
- Site bound to the west and north by the River Colne and scrub land, north and east by the rail line and south by Hythe Station Road.
- Hythe Railway Station immediately to the east of the site.
- Surrounding vicinity comprises commercial land uses.
- Access via Hythe Station Road from the south-west only as a bus gate restricts access over the level crossing.

Site Entrance

Network Rail access point

SITE DESCRIPTION

SITE RESTRICTIONS

- Sales area marked in blue on the adjacent plan.
- The land shaded brown will be retained by Network Rail and will form an access point to the operational railway.
- Network Rail will need to retain access over a route to be agreed between the site entrance and the 6-metre gate.
- The white slither of land (owned by the Environment Agency) and falls outside of the title. This is located within the tree line adjacent to the river and was transferred to the Environment Agency to allow the construction and maintenance of flood defenses.
- The substation at the south of the site is excluded from the ownership.

LOCAL AREA

MARKET COMMENTARY

INDUSTRIAL

- Colchester's take-up was 95% above its 5-year average.
- Smaller units (under 10,000 sq. ft.) dominated, accounting for 43% of take-up over 5 years, and remained the most active in the past year.
- Colchester's Industrial stock in 2024 was 6.4 million sq. ft.
- 0.8% of Colchester's stock is new (built in the last 5 years).
- Top rents for standard industrial units under 100,000 sq. ft. rose 22% in 2024, reaching £11.00 psf.
- Prime Logistics yields in Colchester fell by 25 basis points over the year to Q4 2024, now at 5.5%.
