LOCATION:

Hawick, the principal town in the Scottish Borders, occupies a central and highly accessible position within the region, providing convenient links to surrounding towns and amenities. Edinburgh city centre is easily reached via the A7 and A68 road networks, while the Borders Railway connection at Tweedbank is approximately a 30-minute drive away, offering onward rail connections to the capital. As a result, the Scottish Borders has become increasingly attractive to commuters seeking a high quality of life, a more relaxed pace of living and more affordable housing when compared with the city.

Hawick benefits from a strong range of shopping, leisure, recreational and sporting facilities, catering for both everyday needs and wider lifestyle interests. The surrounding area is renowned for its attractive countryside and scenic landscapes, offering a wide variety of outdoor and leisure pursuits.

DESCRIPTION:

Early-stage construction works had commenced on Plots 1 and 2 prior to the cessation of building activity. Both concrete slab foundations are complete with part of plot 2s frame constructed. This presents an excellent opportunity for a purchaser to add significant value by completing the developments in accordance with the agreed specification under the current approved plans. There is also scope for a purchaser to amend the existing designs, should they wish, although it should be noted that any alterations would be subject to obtaining the necessary planning and building consents from the local authority.

The initial phase of the development is demonstrated by the neighbouring Plots 3 and 4, which have been completed to a high standard. These properties provide bright and airy accommodation arranged over three floors, comprising four bedrooms, with the principal bedroom benefiting from an en suite facility. The layouts further include a generous open-plan living, dining, and kitchen area, in addition to a separate smaller lounge at ground floor level.

Both the ground and first floors benefit from access to a full-length balcony, offering attractive views over the River Teviot.

Further details regarding the specification of the approved plans are available via the Scottish Borders Council Planning Portal.
