### Valuation

The government has introduced a support package worth £4.3 billion over the next three years to protect ratepayers seeing their bills increase because of the revaluation. If you previously received Small Business Rates Relief, Rural Rate Relief, the Supporting Small Business scheme or Retail, Hospitality and Leisure relief, you may be eligible for the Supporting Small Business scheme, which caps your bill increases. Further details can be found [here](https://www.gov.uk/government/publications/budget-2025-retail-hospitality-and-leisure-factsheet/budget-2025-retail-hospitality-and-leisure-factsheet) (<https://www.gov.uk/government/publications/budget-2025-retail-hospitality-and-leisure-factsheet/budget-2025-retail-hospitality-and-leisure-factsheet>).

Future rateable value (from 1 April 2026)

**£48,500**

The estimator tool for England has been removed ahead of business rates bills being issued by local councils. The Valuation Office Agency can help with any questions about your rateable value. For more information on how your bill will be calculated click [here \(opens in new tab\)](https://www.gov.uk/calculate-your-business-rates) (<https://www.gov.uk/calculate-your-business-rates>). If you have any questions about your bill you should contact your local council.
