Location

The Holly Street Trading Estate is an established industrial estate situated on the southern fringe of Luton town centre, just off the A505 inner ring road. It is within a short drive of London Luton Airport and the M1 (J10). All town centre amenities are within proximity, to include Luton Point (shopping centre), the mainline train station, Bedfordshire University, shops, cafes, restaurants, pubs, banking, and some key development sites.

Description

The available units are accessed from within the Holly Street Trading Estate (off Holly Street), save for Unit B1 which is accessed via Union Street. The units would suit a variety of industrial, storage or potentially leisure uses.

We draw attention to the fact that our client is open-minded to **motor trade use**, for example: mechanical workshop or body workshop.

Terms

Units are available either individually or combined, by way of a new lease and for a length to be agreed. Tenants are offered an 'easy in, easy out' lease with a mutually operable rolling break option, exercisable at short notice.

There is an estate service charge for common area maintenance. Please see Availability Schedule on the next page.

Legal Costs

Each party is to bear its own costs incurred.

VAT

All costs are subject to VAT at the appropriate rate.
