About BioCity Glasgow

Laboratories | Offices | Investment | Business Development

BIOCITY GLASGOW
Part of Pioneer Group

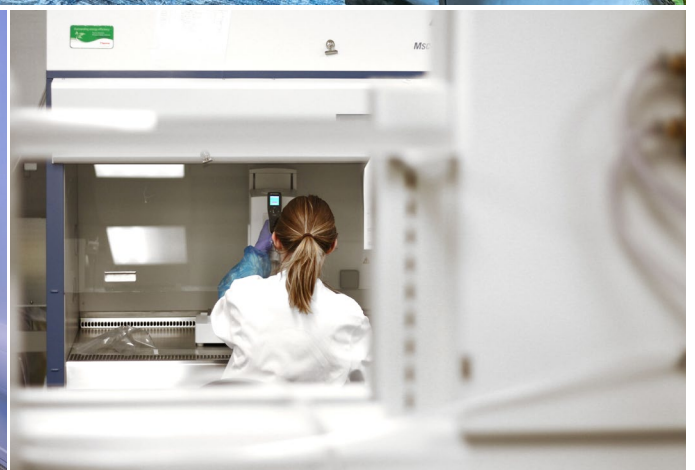

A former MSD research facility with pharma-grade site security, this 20-acre biotech incubator has an assortment of contemporary offices and lab spaces.

Driven by research excellence

Established in 2012, BioCity Glasgow was one of the first Bioscience incubators offering state-of-the-art laboratories and office space, alongside business support to early-stage companies in the life science sector.

Part of something bigger

As a former MSD research facility, BioCity Glasgow has robust occupier strengths in the pharmaceutical and biotherapeutics research markets. Manufacturing Catapult, and the UK's clean growth agenda.
