Location

The subject premises are located on the Northern side of Woolwich Road, between its junctions with Hatcliffe Street and Commercial Place and has easy access to the Blackwall Tunnel, via the nearby Blackwall Lane and Blackwall tunnel approach.

This is a good secondary retail location, on a busy main thoroughfare, with a high density of surrounding residential premises.

Description

The premises form a terraced 3 storey building, comprising two interconnected retail units, trading as a Chinese restaurant for a number of years and fitted out as you would expect with rear kitchen area, W.Cs, tiled floors and air conditioning.

The self contained residential upper parts comprise 3 one bed flats (with a 4th having been sold off on a long lease).

Planning was granted, but subsequently lapsed, to add a further flat on the roof and it is considered that there may be scope to extend to the rear, subject to the usual planning permissions and building regs.

Accommodation

The premises afford the following approximate Net Internal Areas (NIA):

Retail area	124sqm	1335sq ft
Kitchen	7.55sqm	188sq ft
Prep area	7.22sqm	185sq ft
