A TRUE LOGISTICS LOCATION

Quattro Raunds is the latest premier industrial and logistics development on the A45 corridor. The scheme comprises four new build units that are perfectly placed to satisfy occupier demands.

With strategic links to the A14 and M1 Motorway, connectivity across Northamptonshire as well as the East of England has never been better. Northampton, Kettering, Wellingborough and Corby are all within 20 miles, whilst Cambridge is only 38 miles away.

The scheme has been designed to provide enhanced specifications and includes various sustainable initiatives that are of critical importance to our Hillwood and our occupiers. Units have been finished to the highest standards so occupiers can expect best-in-class facilities.

Following a construction period that started in August 2024, the scheme achieved practical completion in February 2026 and is fully available for immediate occupation.

PERFECTLY LOCATED FOR BUSINESS

Located in Northamptonshire, Raunds is a leading industrial and logistics location that is strategically positioned on the A45.

This in turn provides direct access to the A14 and M1 Motorway, as well as excellent links to nearby centres such as Northampton, Kettering, and Corby.

Quattro is prominently located immediately adjacent to the A45, and opposite the established Warth Park. Nearby local amenities also include a BP service station, McDonald's restaurant, and Asda supermarket.

Due to the superb transport links and a strong labour supply many local, regional, and national occupiers have already chosen to locate here.

SUSTAINABILITY AT ITS HEART

BREEAM “EXCELLENT”

The units have achieved BREEAM “Excellent” certification. Hillwood and our consultants are committed to including the maximum amount of sustainable enhancements possible at each of our schemes.

ENERGY PERFORMANCE (EPC)

The units have EPC “A” Rating.

ENERGY EFFICIENT HEATING & COOLING

Variable Refrigerant Flow (VRF) heating / cooling system with internal ceiling concealed fan coil units fed from external air source heat pump to the offices, and efficient local electric heaters to ancillary areas.

ELECTRIC VEHICLE (EV) CHARGING

The units provide EV charging spaces, as well as providing ducting to enable further spaces to be constructed in the future.

ENERGY EFFICIENT LIGHTING

Energy efficient LED lighting is provided to the offices, operated by PIR sensors and daylight dimming sensors.

GREEN ENVIRONMENT & SOCIAL WELL-BEING

Raunds has a range of walkways, bridle paths, lakes and green spaces offering staff a pleasant and natural external environment.

NATURAL DAY- LIGHT

10% of the roof panels across the warehouse are translucent, providing plenty of natural day-light.

CAR SHARING

The Landlord can mark spaces in accordance with an occupiers bespoke car sharing scheme.

PHOTO-VOLTAIC (PV) PANELS

A provision of PV panels will be provided under the base build, whilst the roof will be structurally designed to support panels across the entirety so the occupier can add more as they wish.

CYCLE PARKING

Covered cycles spaces and shower facilities will be provided.

HILLWOOD

Hillwood is a leader in developing and acquiring high-quality, sustainable industrial and logistics properties across the UK, Europe, U.S., and Canada. Within these core markets we have delivered more than 230 million sq ft combined across 12,500 acres.

Our UK operational experience spans more than two decades and our innovative approach to master planning, commercial development, and property acquisitions has led to exciting partnerships with landowners and occupiers. Along the way, we've stuck to our belief that we are most successful when delivering creative solutions and long-term value for our partners and customers.

Most importantly, our private ownership and depth of capital allows us to move quickly to identify opportunities, whilst applying the hands-on approach you would expect from a long-term trusted partner. We make your business, our business.
