THE FUTURE-FOCUSSED BUSINESS DESTINATION

A BOLD VISION

At the heart of Marjan and RAKEZ's vision for RAK Central, a landmark cluster of five office towers rise to form RAK Central Square — the Emirate's new destination for business, enterprise and innovation.

Designed by Gensler, the architecture is inspired by the striations of the surrounding natural landscape with meticulous material choices and finishes inside and out.

Comprising five buildings of premier Grade A office space, RAK Central Square is a visionary new business hub for Ras Al Khaimah

Straight to the office: VIP drop-off access is part of an exceptional arrival experience at RAK Central Square.

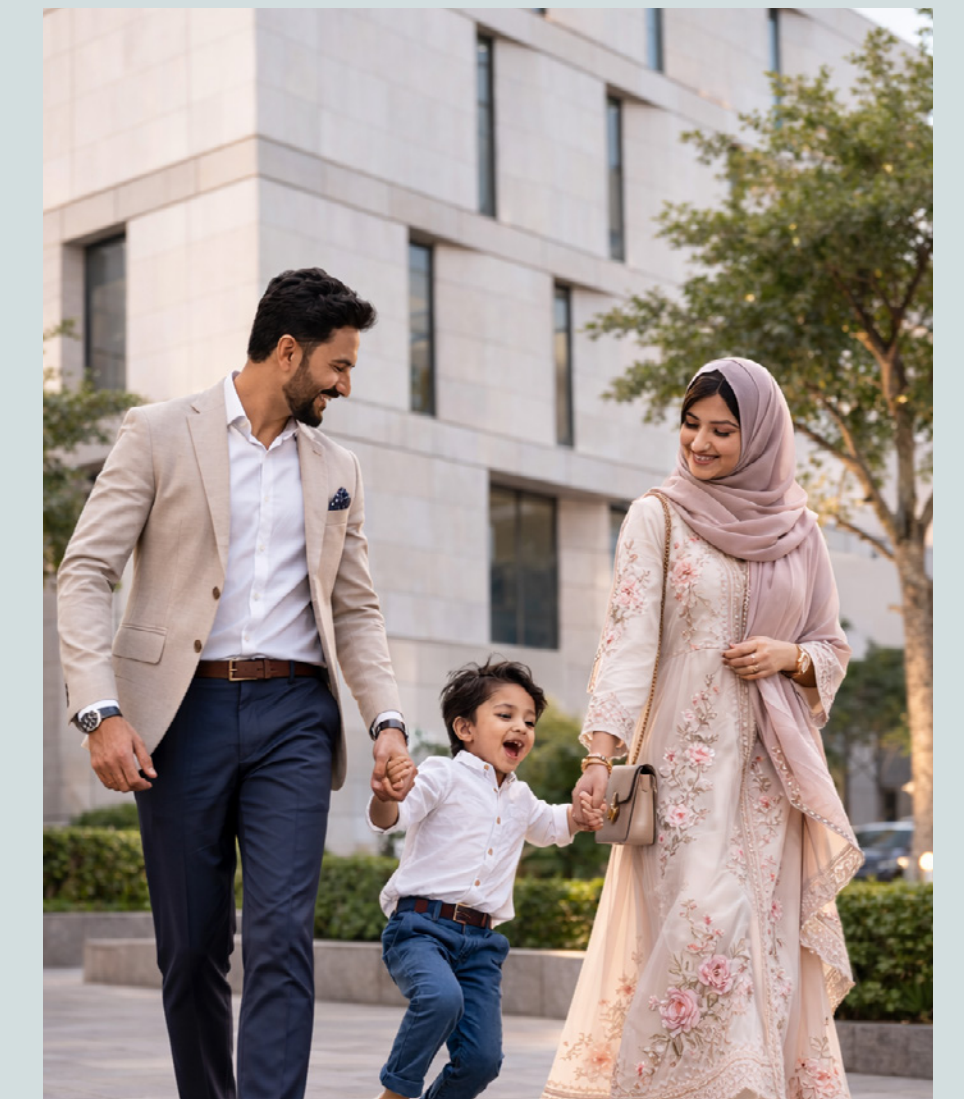

RAK Central Square is lined with a carefully-curated mix of lifestyle amenities

WHERE TALENT CHOOSES TO WORK

The offices are set back on an elevated, three-level podium, opening out onto a dynamic town square. Every aspect has been planned to enhance quality of life and inspire connectivity, creativity and wellbeing.

Choose from high-end restaurants or food trucks. Flagship brands or boutique stores. The cinema or the next festival. A spa visit or a trip to the state-of-the-art gym, complete with a yoga studio.

RAK Central's design philosophy emphasises space, light and unity, with the town square's pedestrianised hub featuring water features, lush greenery and outdoor seating. A welcoming destination for community, families and life's celebrations – as well as quality business downtime.

WHERE BUSINESS AND LIFE CONVERGE

Employees can enjoy dinner with colleagues, family and friends at one of the curated restaurants before strolling through the plaza back to their city-center apartment.

World-class food and drink venues offer ample choices when entertaining clients too, with leading hotel brands moments away.

OPTIMISE YOUR STANDARD OF LIVING

Over 1,000 archaeological sites, forts and castles

From congestion-free roads and a diverse choice of homes to stunning natural landscapes, Ras Al Khaimah offers its workforce an exceptionally well-rounded lifestyle — complemented by a cooler climate and a more attractive cost of living than the rest of the Emirates.

COMING SOON TO RAS AL KHAIMAH

A 2.7 million sq m waterfront destination, extending 4.5km into the Arabian Gulf. This flagship, integrated resort, opening from 2027, will combine a luxury hotel and residential villas, fine dining and exceptional entertainment venues, further boosting tourism and the Emirate's global standing.

A 0.65 million sq ft beachfront district on Marjan Beach, bringing together homes, hospitality and retail in a walkable setting. Framed by open sea views and landscaped public spaces, this French-inspired project adds a new cultural and lifestyle destination to Ras Al Khaimah.

A 0.29 million sq m lifestyle destination at the heart of RAK Central, centred around elegant, spacious residences and set within beautifully landscaped gardens. Residents will enjoy world-class amenities and panoramic views, with offices, retail and dining just moments away.

A premium residential community within Al Hamra Village, offering contemporary apartments amidst landscaped green spaces. Overlooking the golf course, coastline and mountains – minutes from RAK Central – the development will provide nature-inspired living in a well-established neighbourhood.

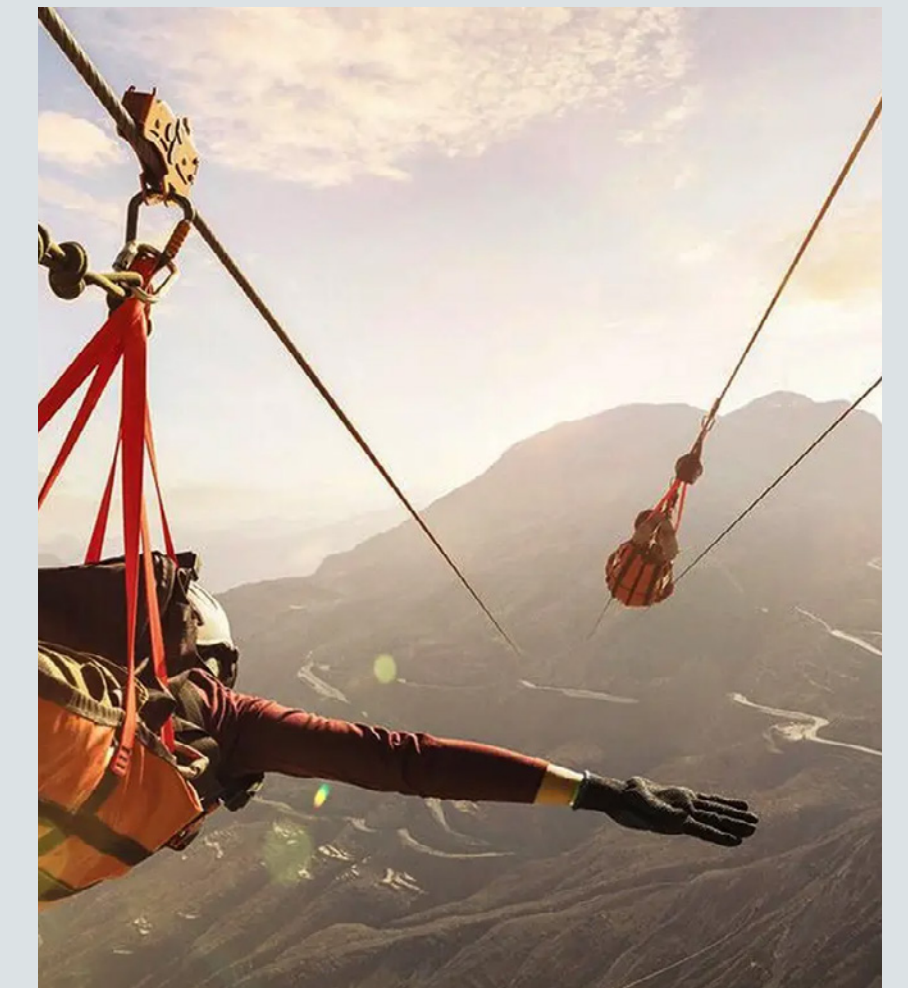

CITY BETWEEN THE SEA & MOUNTAINS

Ras Al Khaimah is characterised by its rich history and striking natural landscapes. As one of the fastest-growing tourism destinations in the region, the Emirate has become synonymous with an outdoor lifestyle.

Over 64km of tranquil beaches

Home to the worlds longest zipline

With crystal clear waters, coral reefs, and diverse marine life, Ras Al Khaimah is a leading destination for snorkeling and scuba diving in the UAE

TEAM

THE DEVELOPMENT TEAM

Two of Ras Al Khaimah's most prestigious government-backed entities

As the Emirate's leading destination developer, Marjan has built communities that place quality of life front and center – from the mixed-use Marjan Beach and visionary Wynn Al Marjan Island to the people-first neighborhood of RAK Central.

An anchor tenant, Marjan will establish its headquarters at RAK Central Square, occupying half of Tower 2.

Ras Al Khaimah Economic Zone (RAKEZ) is a powerhouse business and industry hub in the vibrant heart of the city, offering first-of-its-kind opportunities to local, regional and global companies alike.

The government-backed entity, RAKEZ, will be based in Tower 1 of RAK Central Square – establishing this office district from day one as a dynamic, business-led ecosystem.

THE CREATIVE TEAM

World-renowned architecture and design practice

Founded in 1965, Gensler is a talented practice of 6,000 professionals who partner with clients in over 100 countries each year on projects that act as catalysts for growth.
