Description

The premises comprise four interlinked units forming part of a terrace of modern industrial/warehouse units within an established industrial area.

Each unit is of steel portal frame construction with profile metal cladding to the roof and external elevations and roller shutter access doors. Eaves height is approximately 5.5m. Internally, the units have an integral office block including WC facilities.

Externally there is a concrete loading apron and dedicated parking spaces. In addition, Unit 1 has a secure compound to the side.

Units 2-4 are currently combined with partial dividing wall to Unit 1. It would be possible to let units individually subject to division works.
