AIM is a high specification HQ style industrial/logistics facility located in Stevenage and positioned minutes from junctions 7 and 8 of the A1(M)

This best-in-class development has been designed and will be delivered to target storage, distribution, manufacturing, studio and life science operations within a secure and gated self-contained site.

The building benefits from a double height atrium and reception space, full height glazing to first floor office accommodation, passenger lift, LED lighting, EV charging, green roof cycle shelters and outdoor

amenity areas. Achieving EPC A+, the occupant is to receive the full benefit of power generated from solar panels.
