Whitehall Riverside neighbours Wellington Place, Leeds' premier office location featuring over 1 million sq.ft. of Grade A office space and home to 30 major employers including HMRC, Sky Betting and Gaming, Willis Towers Watson and Squire Patton Boggs.

A thriving new residential and business district, Whitehall Riverside will be the place to live and work in Leeds City Centre.

Tura is at the centre of one of the most exciting development clusters in the UK

Leeds is one of the UK's fastest-growing cities and a leading business location within Europe.

THRIVING BUSINESS HUB

Leeds is home to over 32,000 businesses and contributes £65bn GVA to the UK economy, making it the largest financial and legal centre outside London. More than 470,000 people work in the city, with employment expected to grow by 5% over the next five years as global brands continue to invest.

BUILD TO RENT BOOM

Leeds is one of the UK's fastest-growing rental markets, with 73% of city centre households renting compared to the UK average of 36%. Over 1,500 new Build to Rent homes have completed with thousands more in the pipeline, yet demand continues to outstrip supply, especially from young professionals and graduates.

SKILLED WORKFORCE

The Leeds City Region has a 1.37 million-strong workforce and produces 38,000 graduates annually from eight universities. With over 100,000 students currently studying, Leeds benefits from one of the youngest populations in the UK, creating a constant pipeline of talent across tech, digital, legal, and financial services.

RISING DEMAND FOR SPACE

Office take-up hit over 600,000 sq.ft. in 2023 and Grade A vacancy is just 5%, drawing more daily footfall into the city. Combined with major new neighbourhoods such as Wellington Place and Whitehall Riverside, this creates concentrated catchments of office workers and residents seeking high-quality F&B and leisure experiences.
