All about the people.

People-centric warehouse design.

We know employees are the key to any business and deserve the best spaces and places in which to work. A place that reflects a company's brand values and helps build a sense of community, prioritising the health and wellbeing of the people that work within it.

Our workplace can have a significant impact on our physical and mental heath, which is why Prologis prioritise the health and wellbeing of our customer's employees when considering building characteristics, sustainable features and on-site amenities, with the aim to create a safe, comfortable and supportive environment – internally, externally and park-wide.

That's why Prologis Parks and warehouses are designed to make the every day enjoyable by providing brilliant basics and considering the health and wellbeing of the people working within the warehouse environment at all times, but also the health and wellbeing of our planet and the wider impact that has on people.

15% roof lighting

Additional roof lighting will not only cut costs by reducing the need for artificial lighting, it also provides uniform daylight, which is proven to reduce eye strain, improving wellbeing and positivity.

Rainwater harvesting

Helping to reduce the use of non-potable mains water, recycling natural rainwater.

EV car & cycle charging

20% of parking spaces at each unit come with EV charging installed. All other parking spaces have passive provision for EV charging.

Walking trails and cycle ways

Connectivity throughout site which links to nearby shops, amenities, bus stops and a pocket park.

Dedicated destination spaces

Office kitchenettes facilitate quick and easy access for employees to collaborate and innovate.
