local businesses

EPC B
rating

More than a
Workplace

Dockside sits at the heart of Gloucester, where the city centre meets the waterfront, putting everything your team needs within easy reach.

Gloucester Quays, the Cathedral, and a strong selection of independent restaurants and cafes are all within easy walking distance: the kind of variety that makes a real difference to the working day.

Dockside tenants benefit from a partnership with Gloucester Brewery, including a 10% discount on beers and spirits, complimentary venue hire, monthly pizza lunch offers and a dedicated events calendar. A perks card brings everything together, with further partnerships across hospitality, wellness and retail planned.

On-site gym and shower facilities support an active working day from the outset. A dedicated wellness room is also on the way, as part of a long-term commitment to workplaces that work for people, not just business.

EARTH-CONSCIOUS BREWING
GLOUCESTER
BREWERY
