INVESTMENT POTENTIAL

This freehold property presents an exciting opportunity for investors, developers, or owner-occupiers looking to capitalise on a prime London location with approved development potential. The combination of a well-positioned commercia space and high-demand residential accommodation ensures strong rental and capital growth prospects.

Additionally, the owners have been in active discussions with an outdoor media company that has expressed interest in leasing the side elevation for the installation of a digital marketing board, offering an additional revenue stream. Further details are available on request.

LOCATION HIGHLIGHTS

- Prime Battersea position a thriving and sought-after area known for its vibrant mix of independent shops, restaurants, and cafés.
- Excellent transport links within walking distance of Clapham Junction Station (Zone 2), providing fast connections to London Waterloo, Victoria, and Gatwick Airport.
- Strong local demand a popular area for both young professionals and families, ensuring consistent residential and commercial interest.

ASSET MANAGEMENT OPPORTUNITY

This property presents an exceptional value-add opportunities, offering multiple avenues or enhancing income and capital growth. Key opportunities include:

- Development Potential The property benefits from approved planning permission for a significant redevelopment, allowing for the expansion of the commercial space and the conversion of the upper floors into a 13-bedroom HMO. This offers the potential for a substantial uplift in rental income and overall asset value.
- Flexible Commercial Letting Options The double-fronted retail unit on the ground floor and basement provides a versatile space suitable for a variety of tenants, from independent retailers to established brands, food and beverage operators, or servicebased businesses. The ability to re-let to a range of occupiers ensures long-term demand and income stability.
- Outdoor Media Advertising Potential The side elevation of the building offers an
 additional revenue stream through outdoor advertising. The owners have already
 engaged in discussions with a leading outdoor media company, which has expressed
 interest in leasing the space for the installation of a digital marketing board. This presents
 an opportunity to generate passive income from advertising in this highly visible location.

With strong development scope, flexible leasing opportunities, and additional income potential through media advertising, this property is an outstanding investment with significant upside potential.

DESCRIPTION

A rare opportunity to acquire a **prominently positioned 5-storey freehold mixed-use building situated on the corner of Battersea Rise (A205) and Limburg Road**. This high-profile location offers exceptional visibility and strong footfall, making it an ideal investment for both commercial and residential development.

The building comprises a vacant double-fronted retail unit spanning the ground and basement floors, offering a generous and flexible space suitable for a variety of occupiers. The three upper floors currently provide residential accommodation, presenting an attractive income-generating asset. The upper parts were originally two 4 bedroom apartments, one of which was divided into three studio style bedsits approximately twenty years ago.
